NUMBER 30

O. G. Tumlinson New Bureau Prexy; Resolutions To Better Farmers' Lot

Elected to head the Milam County Farm Bureau for 1957 is O. G. Tumlinson of Cameron. He succeeds John A. Smith, who has served as county president for the past three years. Tumlinson was elected at a meeting of bureau members last Thursday night in Simon-George Hall at Cameron.

Other newly elected officers are Robert Jungmann, first vice president; Mrs. Bernice Charles, second vice president, and Miss Lenora A. Bickett, secretary and treasurer. Directors for the forthcoming year are Smith, F. H. Scarborough, Arthur Inge, John Slovak, V. L. Angell, Charlie Duncan, J. D. Crook, W. A. Conn, Joe Zajicek, Ed Miller, Everett Shelton, Charlie Lucke, Herbert Heine, J. D. Turney and Mrs. Charles Bailey.

Tumlinson is a rancher, who resides at Rt. 1, Cameron. He is a graduate of A and M College and for 13 years prior to moving to Milam County, he was with the Extension Service of that college as a district agricultural agent. The new president of the organization also served as secretary of the Production Credit Corporation with offices in Houston just before coming to Cameron.

FARM LEADER

O. G. TUMLINSON

He is married and has four sons, all of whom are graduates of A and M. Tumlinson served in both World War I and World War II and now holds the rank of Reserve Colonel in the Air Force.

A financial report of the bureau for the year ending was given to the members by Miss Bickett, who is entering her fourth term at that office. Jungmann, who serves as membership chairman, was

reelected first vice president for the fourth consecutive year.

Other business of the meeting was the adoption of 21 resolutions to serve as policy of the Milam County Farmers Bureau and to be sent to the state convention for action by the Texas Farm Bureau.

A brief summary of these resolutions as outlined by Tumlinson as chairman of the resolutions committee follow. (1) Cotton allotments in 1957 to be apportioned to all counties on the same basis of total cropland of cotton farms in each county. (2) Recommendation that Soil Bank cotton payments be increased to that of corn payments.

(3) Recommendation that the following paragraph be eliminated from the State Policies of the Texas Farm Bureau. "We feel that a more effective meat buying program would be accomplished if livestock were purchased from the producer, or producer representative, instead of purchasing from processors. We recommend that these purchases be disposed of through the school lunch program and through our Foreign Aid Program. This program should be available for immediate application when a severe price drop occurs."

(4) Recommend the passage of a feed law protecting both the consumer and processor. (5) Acquisition of an adequate number

Man Receives Injury Of Arm

Roy Seaton was carried to a Cameron Hospital about mid-afternoon Saturday, October 20, for treatment of a cut muscle of the right arm. He was cut in an altercation occurring near the intersection of Gillis Street and Central Avenue and was cut by Rabbit Hawkins, a 67-year old colored man.

Both Seaton and Hawkins were arrested by Chief Willie Dolan and charged with "fighting." They appeared in city court Monday morning and each was fined \$21.50 including court costs.

Banded Dove Bagged Here

Milam County sportsmen of the "bird hunting variety" may at times wonder about the travels of birds they shoot on the wing.

Clifford W. Angell of Route 2, Cameron, bagged one on September 15 and had that question answered. The bird was a Mourning Dove and was killed eight miles northwest of Cameron. It had been banded on June 8, 1955, by the Louisiana Department of Wildlife at Selman Field in Monroe, Louisiana.

Angell was home that weekend for a bird hunt from Wharton Junior College, where he is a student.

District Play Begins In Stephenville Tilt

Football on the district level will get underway at 8 p.m. Friday in Yoe Stadium as the Cameron Yoemen meet their first district opponents, Stephenville. Yoe-

men have won three and lost three while Stephenville is reportedly high man on the totem pole to date.

Both of tomorrow's opponents run similar type formations. Line and backfield weight averages are reportedly about the same.

Coach Leo Jackson Monday was in an optimistic mood as for the first time in the past month, all members of the Yoe squad appeared in uniform for practice. Monroe Bayer, who last Friday night got to see action for only about 15 minutes, is expected to be in A-1 shape tomorrow. Gene Hillman, another first string line-man, will also be able to see some action in the Cameron-Stephenville game.

Milam County People Admire New Chevrolet

Men, Women and Children from throughout Milam County and some from outside the county flocked into the showrooms of Grabein Chevrolet Co. last weekend to see and drive the 1957 models on display.

On special opening display both Friday and Saturday, October 19 and 20, R. G. Grabein had Bel Air four door hard top and a Bel Air two door on display in the main showroom. Other models of different colors were on display in other parts of the Grabein business house. A demonstrator was also on hand for those wishing to drive one of these powerful models of the nation's most sought after car.

Nearly 3,000 spectators visited See Chevrolet, back page

One Of Eight In The Forty Eight

Gold Plaque winners were the Glaser cousins and James Edward Senkel, Buckholts High Sophomores all, as they became "A team in eight of the forty-eight", in the National F.F.A. Poultry contest.

Only 37 teams qualified for the contest held in Kansas City last week. The contest is set up to rate the top 20 percent in the top bracket in alphabetical order with no sweepstakes or top ranking team. Some of the contenders are now college students, having graduated from high school after the state competition in their respective states.

The Texas State Poultry winners of Buckholts left for K.C. by car on October 14 and returned a jam-packed week later tired but happy and content reports instructor "Bo" Titsworth.

Besides the top bracket team win Stanley Joe Glaser, son of Mr. and Mrs. Joe Glaser and James Edward Glaser, son of Mr. and Mrs. Willie Glaser placed in the top twenty percent of the individual student judges.

Individually the Glaser boys placed in the Gold Emblem (medal award) while their teammate Hal Lester Senkel rated the silver emblem bracket. This was the second high twenty percent of all individuals in the contest. The gold medal went to 22 of 114 contestants and the silver to 15 in the second high.

At the convention Hopalong Caspers and Sherry North were on the entertainment fare plus the F.F.A. Chorus and band.

The Buckholts lads talked with and got the autograph of Enos Slaughter of the New York Yankees.

On the way home the Texas entourage stopped by Independence Missouri and made pictures with Mrs. Harry Truman. Later stopped off, high in the Ozark mountains, to see a home-

coming football game between Springfield and Bentsville, Missouri.

The poultry team and instructor had words of appreciation for the Buckholts school administration, board, Alton Fuchs of the Ideal Hatchery, Interstate Products, A. W. Zajicek and Joe Glaser who furnished transportation.

The national contest was set up by Mr. Tom Avery of Kansas State College, who told the Texas team and its instructor Cornelius Titsworth that "Texas is the team to beat in collegiate poultry judging." He remembered Mr. Parnell, (former Cameron Agriculture teacher) and now coach of the Texas A. and M. team and Alton Fuchs of the 1953 Aggie team which was national champion the year Yoe High won twenty years ago with a Parnell coached team in the National F. A. A. contest.

Cameron Ministers Flash S. O. S. Via Trick Or Treat Funsters

S.O.S. has been the ship to ship and the ship to shore distress signal for ages but now Church World Service has given words to these initial letters which are still a distress signal, but now they are flashed from shore to shore around the globe.

SHARE OUR SURPLUS is the new meaning of the letters SOS and the Cameron Ministerial Alliance is sponsoring a new idea in Halloween fun for the kids. They

have Christianized the old idea of trick or treat and NOW the ministers say "things are different." Because throughout the country, thousands of young people are building instead of tearing down. Instead of defacing property, or asking for food or candy for themselves, they are seeking to send American surplus foods to others by sharing in Trick or Treat programs in behalf of the SOS program sponsored on the national level by the Church World Service.

All you have to do to join in this program is go to your minister and tell him that you would like to give your name and address. You will then be assigned an area to cover on Halloween night.

For each penny given to this campaign, over a pound of food will be sent overseas to be given to starving people through non-denominational organizations. See Ministers, back page

Boys Invited To Join Cub Pack

Cub Scout Pack 213 regular monthly meeting will be held at Simon and George Memorial Hall at 7:30 on Monday, October 29.

Cubmaster Edward Schiller announces that any boy between the ages of eight and ten who is interested in joining a cub den to ask their parents to bring them to this meeting.

Schiller states that all cubs are required to attend the monthly pack meetings with their parents. He said that a regular pack program has been prepared.

Sinclair Runs Contest Among Local Dealers

All local Sinclair dealers will participate in Sinclair's Annual Fill 'er Up Contest, to be held October 25 through October 27. R. R. Phillips, Sinclair's area manager, announced today. This Contest is designed to stimulate interest among motorists in a new super-premium gasoline — Power-X with X Chemical — which has recently been introduced by Sinclair Refining Company.

Phillips said all motorists who visit their local Sinclair dealer station to help him win his contest will be offered a free 10-point winter safety check.

The dealer who attains the highest gallonage over this period will receive a special Achievement Award, symbolic of outstanding activity in service station management. Local dealers are H. E. McAttee of Cameron and Marcus Bankston of Milano.

Elm Watershed Meetings Reach "Head Of Creek"

The Elm Creek Flood Control program will have "reached the head of the creek" with the sixth weekly meeting scheduled for 7:30 p.m. this evening (Thursday) said Buster Griffin, temporary chairman.

About 40 attended the Troy meeting last Thursday with two committeemen, Avrel Crawford and Jim Redden being elected to the temporary posts.

Verne C. Marshall, dean of soil and water conservation in Bell County, spoke to the meeting as did Carl Young and Mr. Pridgen of the Soil Conservation Service in Temple who were present to explain the program. One man present volunteered the information that he is ready for an installation to be placed on his land.

Several from the Cameron area attended the Troy meet and are expected to be at Moody Griffin said.

Ladis Slavik has requested a meeting at Marak, Griffin noted, and he plans to call a meeting there as soon after the Moody meeting as possible. It may be on Thursday night, November 1, but the date will be announced later he said.

Tuesday To Be Schiller Motors Debut Of Dodge

Schiller Motors of Cameron next Tuesday, October 30, will have on display in their showrooms the 1-57 Plymouths, Dodges and Dodge trucks. Jerry and Milton Schiller, owners of the business, were so enthused over early showings of these models to dealers that they have been in a whirlwind of activity preparing for this debut of these new models.

Workmen have been busy all this week painting, cleaning and renovating the showrooms, offices and work areas to have the scheme of the business itself in line with the forthcoming models.

Jerry and Milton Schiller favored the showing of their late model products in an all-out show. They are inviting the entire family of everyone in Milam County to visit them on Tuesday, October 30. As additional hospitality to all, they are serving free coffee, gum balloons and key rings to all visiting the showrooms. Everyone is See Dodge Debut, back page

North Milam County United Fund Organization Pushed

A North Milam County United Fund effort was given a tremendous impetus by a State Field Man of the Salvation Army, L. J. France at a meeting Tuesday night at the Milam Restaurant with School Superintendent Wilcy Loughmiller the temporary chairman.

Loughmiller explained to the 40 serious minded citizens, in attendance, that it was during a series of meetings discussing a Salvation Army drive that it was considered best not to interfere with a possible United Fund drive,

which might do better to promote later than to ignore the larger need for the United Fund.

France was introduced by Rev. John Solomon to the group as an organizer sent out as a public service, to the county by the Salvation Army to aid in promotion of United Fund drives and to avoid the single purpose drive where possible. France put the question bluntly, "Do you want a U.F. fund drive or don't you?" asking for a show of hands which was unanimous in favor of and go ahead.

It is very important to have people from other communities in northern Milam County on the board of directors France said. This board must contain at least 21 and possibly no more than 30 members.

A nominating committee of nine people present were chosen to tire from the gathering and nominate at least 12 additional people to serve with them on the board and at a later meeting of that board people outside Cameron who would agree to serve would be asked to become members of that board.

Drayton McLane was made temporary chairman of the temporary board. He immediately called a meeting of the board for 9 a.m. at the Milam Restaurant at which time a permanent president plus a vice president from outside Cameron in northern Milam County and a vice president from Cameron and a secretary-treasurer will be chosen.

Mr. France averred that there would be no question but what they will begin immediately after the meeting to make detailed plans for a successful United Fund Drive within thirty days judging from the tremendously fine response at the Tuesday night meeting.

Temporary chairman of the meeting Loughmiller said following the meeting "This was one of the best cross section meetings I have ever seen in Cameron with serious minds and a determination to tackle a job." The group present was declared by France to have an "Air of determination."

To underscore the seriousness of the board of directors under the leadership of Drayton McLane met in a group after the main organizational meet had concluded on Tuesday night and began to formulate and crystallize plans for the Thursday meeting. No one seemed to be in a hurry but were seriously considering every detail drive.

Committees to be set up out of the board will be a campaign committee, budget and administration. See United Fund, back page

During the month of September, 1956, the Austin District, which is comprised of 13 counties in Central Texas, investigated 102 rural traffic accidents in which 85 persons were injured and 6 killed, with a total of \$77,273 property damage. Bastrop, Brazos, Burnet, Hays and Travis counties each had one rural traffic fatality. For the same month a year ago the Austin District investigated 141 rural traffic accidents with 85 persons injured, 3 killed and \$66,567 property damage.

Captain E. K. Browning, Jr., district commanding officer, urges motorists going to football games over the weekend to obey all traffic laws and regulations as he is applying selective enforcement on the highways being used.

Highway Patrol Urges Caution

During the month of September, 1956, the Austin District, which is comprised of 13 counties in Central Texas, investigated 102 rural traffic accidents in which 85 persons were injured and 6 killed, with a total of \$77,273 property damage. Bastrop, Brazos, Burnet, Hays and Travis counties each had one rural traffic fatality. For the same month a year ago the Austin District investigated 141 rural traffic accidents with 85 persons injured, 3 killed and \$66,567 property damage.

Captain E. K. Browning, Jr., district commanding officer, urges motorists going to football games over the weekend to obey all traffic laws and regulations as he is applying selective enforcement on the highways being used.

Texas Expenses Up

Texas government spent \$11,000,000 more than it took in during September according to Comptroller Robert S. Calvert.

Expenditures totaled more than \$70,000,000, and revenue receipts came to only \$59,000,000. A net cash balance of \$32,671,870 was left in the general revenue fund. Last year September was much better. Expenditures were \$63,000,000; revenue, \$69,000,000.

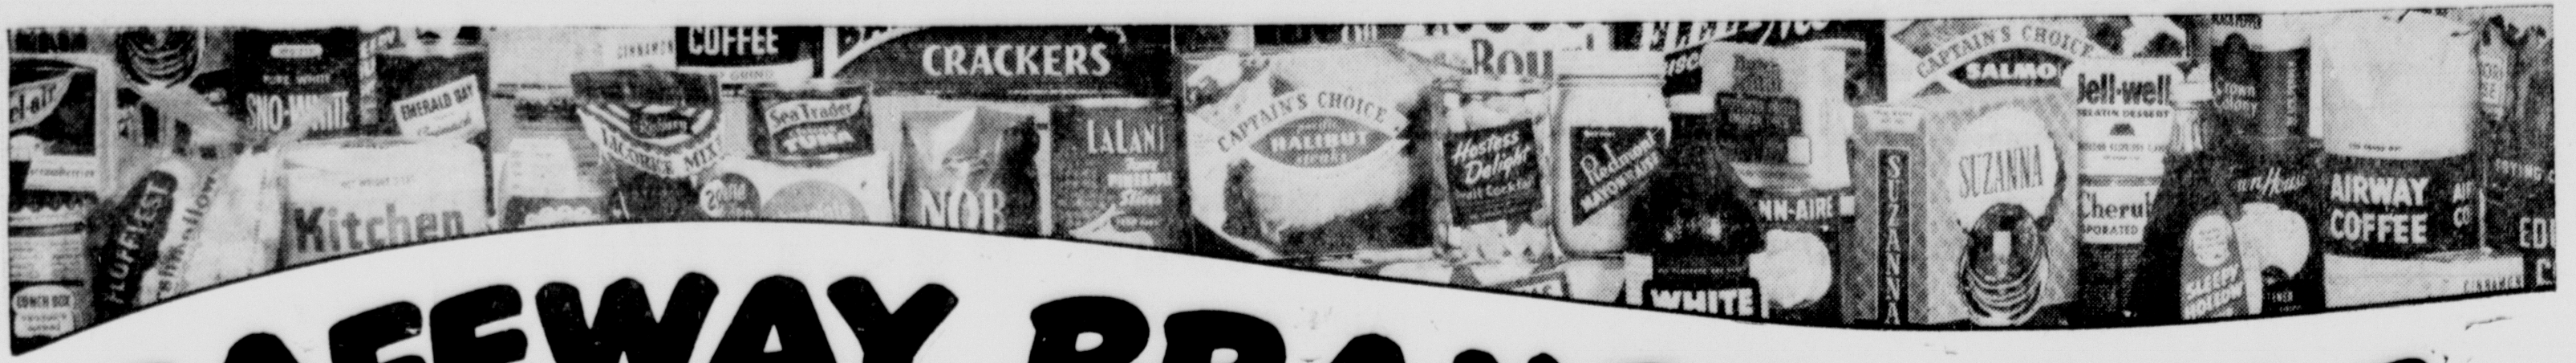

Buckie Jones

Lieutenant Hilton P. (Buckie) Jones Jr. shown above, now of San Antonio but a Clifton native, recently returned home from Beirut, Lebanon, after having attended a Summer Seminar Course at the American University there which was intended to facilitate a thorough knowledge of the Middle Eastern countries.

The course lasted from July 2 until September 2 of this year. Six weeks of that period were spent in Beirut, with Libya, Italy, France, Belgium, Greece, Turkey, Iraq, Iran, Syria, Jordan, and Israel also being visited.

He is the son of Mr. and Mrs. H. P. Jones, of Cameron, was born and reared in Clifton. His wife is a daughter of Mrs. Homer Robertson, also of this city. They have three children, Press, Donna and Holly.

Witness Believes Crisis Demands Enlightened Action

Donald H. Lardie, a member of the Headquarters Congregation of Jehovah's witnesses of Brooklyn, N. Y., concludes his week-long visit to Cameron Sunday.

A minister and specialist in the organizational field, Mr. Lardie is District overseer of Jehovah's witnesses in central Texas. During his visit to Cameron he will give the local congregation advanced instruction in ministerial training and organizational work.

Speaking as a Bible student and keen observer of the worldwide International crises that confront the people today, Mr. Lardie says, "Few people realize the critical situation that they face at this time and that all people should arouse to a wide-awake course that is given them in the Bible for survival."

He will conclude his visit to Cameron with the discourse, "Has God's Purpose For Mankind Failed?" to be given at the Kingdom Hall, Sunday at 2:00 P.M. A cordial invitation is extended all who care to attend and hear this lecture.

T.E.L. Class Makes Annual Report

Annual reports of the T.E.L. class of the First Baptist Church, made Wednesday, October 17 with 12 members and two visitors present at the home of Mrs. W. M. Fanning found that the average attendance for the year was 12 with a grade of 64; offerings to the church budget \$697 and love offerings in the amount of \$33.95, 25 visitors during the year and five new members.

In charge was Mrs. I. N. West, the opening prayer by Mrs. Annie Reese and the devotional by Mrs. Fanning in the absence of Mrs. M. A. Baggerly the first vice president. The closing prayer was by Mrs. Verna Jamison.

A plate lunch and fruit drink was served.

CARD OF THANKS

We wish to express our sincere thanks to all of the friends and neighbors that were so kind to us in the time of sorrow, at the death of our beloved husband and father, Wm. Kohring. We will be ever mindful of the virtuous deeds that all of you did to lessen the sorrow that comes to every one in this time. We express our gratitude for all of the beautiful floral offerings.

Mrs. Wm. Kohring and Family

Fresh-ground right here at home, delivered in a few days to your store, Morton's Black Pepper is weeks and months fresher than any other brand on the shelf. Compare the price, too!

Siebmman Urges Bond Purchases

Milam County Savings Bond Chairman Henry Siebmman of Cameron reported this week that Series "E" Savings Bond sales in Texas for September had increased nine percent above sales in September, 1955.

He said sales in Milam County for the month were \$50,880 while for the nine months ending with September, sales totaled \$257,748. This represents 64.8 percent of the \$398,000 quota for Milam County. He further stressed the importance of the Savings Bond Program to the individual, the community and the nation.

Draft Picks Up After Summer Lag

A total of 48,442 Texans registered at local draft boards in the state during the first nine months of 1956, practically all of them 18-year-olds.

This compares with a total of 48,732 males who registered in the first nine months of 1955. Colonel Morris S. Schwartz, state Selective Service director, who reported that draft registration was lagging during the summer, said registration has picked up again.

News From Yarrellton

MRS. LENA RUSSELL

SANTA FE TOWN

CAMERON, TEXAS

ENGAGED

Mr. and Mrs. R. B. Griffin of 6024 Seaboard Ave., Jacksonville, Florida, announce the engagement and approaching marriage of their daughter, Wanda Patricia to John Lee Brock, son of Mr. and Mrs. Vance Brock of Cameron. The wedding will take place Friday, November 23rd at 7 o'clock in the Church of Jesus Christ of Latter Day Saints in Jacksonville.

Mrs. E. J. Davis Dines Wesleyan Guild At Home

Mrs. E. J. Davis, recently named co-ordinator of the Wesleyan Service Guild of the First Methodist Church, entertained members with a three course dinner at 7:30 Wednesday evening, October 17, at the parsonage.

Seasonable flowers and fruit arrangements adorned the living and dining rooms.

The program was given by the new vice-president Miss Susan Rosson and dealt with Southeast Asia. She was assisted by several members of the organization.

The president Miss Dorothy Johnson held a short business session.

School Offers Five Meals At One Dollar

Children of the Cameron Independent School District may be given the opportunity, by his parents, to learn more of the social side of life with his classmates by being given one dollar for ALL of the five daily meals listed here.

On Monday, October 29 the menu is Pork and gravy over dressing (with celery), green pepper-carrot-cabbage salad (with mayonnaise dressing), bread, butter, milk and canned peaches. TUESDAY: Chili-cheese-ric (or hominy) casserole, cole slaw, bread, butter, orange cake and orange sauce and milk. WEDNESDAY: Plain pinto beans, barbecued hash (with potatoes) congealed carrot, pineapple, orange salad, hot rolls, butter, syrup or jelly and milk. THURSDAY: Chicken and rice (or spaghetti) with grated cheese in it, frozen green beans (lemon butter sauce), cabbage, celery, apple salad (combination dressing), gingerbread with orange sauce, milk and bread. FRIDAY: Fish sticks and tartar sauce, pinto beans (seasoned with tomatoes, onions and peppers) buttered spinach, peach cobbler, milk and bread.

Bruncheon Honors Mrs. Louis Holley

A brunch party honoring Mrs. Louis Holley, formerly Miss Virginia Graham, was given recently by Mrs. Drayton McLane and Miss Kate McLane. Table decorations for the party were white chrysanthemums interlaced with pale blue tulle.

Guests attending besides the honoree were Mrs. D. L. Holley, Mrs. Sam Jennings and Mrs. Herman Harris all of Abilene; Miss Lynn Lewis and Miss La Verne Michalka of Austin; Miss Martha McMillan of San Angelo, Miss Ann McCall of Harlingen, Miss Sammy Markham of Corpus Christi, Miss Shirley Lowry and Miss Norma Laster of Houston and Mrs. Gillis Graham of Cameron.

Featured in the brunch was Chicken A La King in a pastry shell, spiced peaches, olives, cranberry salad, tea and strawberry short cake topped with whipped cream.

Jimmye Rae Colburn Pledges Sorority

Miss Jimmye Rae Colburn of Cameron and a junior at Stephens College in Columbia, Missouri, has pledged Alpha Alpha Alpha social sorority.

Miss Colburn is the daughter of Mr. and Mrs. Herbert Lyles Colburn.

Flo's Personals

Mr. and Mrs. G. V. Schuh and children, Jeanne, Louise and Billy of Austin, spent the weekend as guests in the home of her parents, Mr. and Mrs. Will Ondrej.

Recent guests in the home of Mr. and Mrs. Hubert Jistel were Mr. and Mrs. Joe F. Hollas, Mr. and Mrs. Herman Bayer, Miss Ethel Mae Jistel of Waco, Johnnie Marak of Marak, Misses Agnes Lindsey and Janis Ann Jistel of San Antonio, Gerald and Leon Beach of Westphalia and Miss Patricia Kostrum of Cameron.

Visiting in Cameron during the weekend was Mrs. Sophia Winfeld of Austin.

Charlotte Pembroke, Seaman Apprentice of the U. S. Navy is at home in Cameron visiting with her parents, Mr. and Mrs. Truman Pembroke, at 108 North Nolan.

Charlotte has just completed her recruit training at the U. S. Navy training center at Bainbridge, Maryland.

She will be accompanied by her parents to Dallas Sunday, to board a plane to return to her base where she will be stationed as a Hospital Corpsman in a Navy hospital at Bainbridge.

Mrs. Rita Mikulec of Marak visited in the home of her sister, Mrs. Dorothy Abel, Tuesday.

Mr. and Mrs. C. L. Lively spent the weekend visiting with their daughter and family, Mr. and Mrs. Neal Rolling and children in Shreveport, La.

Mrs. Joe Luce and Mrs. Clem Zarosky spent Sunday visiting in the home of Mr. and Mrs. Abe Marsh and family in Brenham.

Earl Turner, son of Mr. and Mrs. Lester Turner, Sr., spent several days last week visiting with his family and friends. Earl is a Staff Sergeant in the U.S. Airforce and is stationed at Little Rock, Ark.

Bill Leake, an employee of Tobins Barber Shop in Austin, and Robert Tawater and Leonard Hensel of Waco, visited in Cameron Saturday evening. Sunday they attended the State Fair in Dallas.

Miss Sammy Dell Markham of Corpus Christi was a recent visitor in Cameron.

Douglas Obermiller of Minneola Florida, spent the weekend visiting in the home of his parents, Mr. and Mrs. W. E. Obermiller and Don.

Among those attending the picnic in Bremond, Sunday, were Mr. and Mrs. B. M. McCord and Mr. and Mrs. Norbert Mikulec of Cameron.

Mr. and Mrs. Adolph Krenke of Taylor visited several days last week in the home of their daughter, Mr. and Mrs. Milton Janek and son, M. J.

Miss Louise Johnson of Austin, visited here with her family and friends over the weekend.

Faye Smith, Jerry Richards Recite Marriage Vows October 6

Mr. and Mrs. Jerry C. Richards, who were married October 6, have returned from their honeymoon to Louisiana. They are now making their home at Minerva. The wedding took place at the First Baptist Church parsonage in Rockdale.

The bride is the former Miss Faye Smith, the daughter of Mr. Edward Smith of Lexington and the late Mr. Smith. Parents of the groom are Mr. and Mrs. D. C. Richards of Minerva.

Taking their marriage vows in a double ring ceremony, the couple was wed before a double window in the living room of the parsonage. Decorations included a basket of white chrysanthemums seated on a pedestal. Rev. M. M. Fulmer officiated at the ceremony with music being provided by Mrs. Johnston of Lexington.

Miss Smith was given in marriage by her brother, Edward Smith of Houston. She wore a ballerina length gown of white Chantilly lace over satin with a fitted bodice featuring a sweetheart neckline and three-quarter length sleeves. Her veil of illusion was shoulder length and flared from a corner of pearls. The bridal bouquet was a cascade of white carnations centered with a removable corsage.

The matron of honor, Mrs. Charlene Balch, wore a suit of brown and pink tweed. Her accessories included a pink hat and gloves with others of brown. Mrs. Balch's corsage consisted of a single pink cymbidium orchid.

A dark rose dress with accessories in harmony were worn by Mrs. Smith, the bride's mother, while Mrs. Richards, mother of the groom, was in a navy blue dress with white accessories. Both had corsages of white carnations. At a reception in the home of

Mr. and Mrs. Charles Richards of Waco visited here over the weekend. They attended the football game and home coming at Yoe High, Friday night.

Clifford Angell, a student at Wharton Junior College was home for the weekend.

Friends of Mrs. Alton Fuchs, will be happy to learn that she is recovering nicely, in a local hospital, after undergoing surgery.

Mr. and Mrs. K. W. Moseley of Thorndale visited in the home of her brother and family, Mr. and Mrs. G. R. Jones and Bobby Saturday morning.

Miss Jane Sanders, daughter of Mr. and Mrs. Pat Sanders, who is a student at Texas University in Austin, spent the weekend visiting with her parents and friends in Cameron.

Visiting in the home of Mr. and Mrs. Johnny Pernice and family, Sunday, were Mr. and Mrs. Leo Tellier of Temple.

Miss Leona Blakey and Mrs. J. N. Parrett returned recently from a six weeks motor trip to California, where they visited the movie and TV studios in Hollywood, the beaches, Catalina Island, and the race track at Tia Juana, Mexico.

Miss Blakey formerly was employed in the FHA office here before retirement early this year.

Mrs. O. E. Balch of Lexington following the ceremony, guests were registered in a bride's book.

Mrs. Balch served the wedding cake while Mrs. Lorene Smith presided at the punch bowl. Decorations for the reception consisted of arrangements of white chrysanthemums.

The bride is a former student at Lexington High School while Mr. Richards is a 1953 graduate of Rockdale High School. He served two years in the Army Signal Corps including one year in Korea. He is now an employee with Alcoa.

Methodist District Preachers, Laymen Meet Here Tuesday

The Bryan District Conference of Preachers and Laymen was held Tuesday from 9:30 a.m. to 3 p.m. at the Cameron First Methodist Church with about 160 in attendance.

Dr. W. R. Swain, District Superintendent was in charge of the meeting at which Dr. Monroe Vivian, Executive Secretary of the Inner Board Council of the Texas Methodist Conference reported on the program of the church as a whole.

A. W. McCullin gave the district lay and church report. A. J. Smith Sr. and Rolan Carr were Cameron delegates to the conference, styled a report and planning meeting.

The first five months of the conference year showed 400 members added in the district and finances, in spite of the drought, are up to date, it was reported.

The conference program of education was presented by W. Rubel Moore, executive secretary of the board of education.

At this meeting itinerancies are granted and in this instance Roger Shumate of Cameron was accepted into the ministry. Shumate offered the prayer during the preaching session. The sermon was delivered by Rev. Earl Yekely, minister of the Rockdale Methodist Church.

Ladies of the Cameron Church served a turkey plate at the noon hour.

District Wesleyan Guild Meets Here

Cameron Methodist Wesleyan Guild was host to a District meeting of the Guilds in the Bryan District on Sunday afternoon at 3 p.m.

Mrs. W. E. Crocker of Marlin, district president, was in charge of the session at which about forty ladies were in attendance from Bellville, Marlin, Brenham, Bryan and Caldwell.

Refreshments were served by the Cameron ladies in Fellowship hall.

Rehearsal Dinner Fetes Bridal Party

Wedding party members attending the marriage ceremony of Miss Virginia Graham and Louis Holley were guests at a rehearsal dinner given by Mr. and Mrs. D. L. Holley, the groom's parents, at the Magnolia House.

Present at the dinner were the honorees, Mr. and Mrs. Holley, Mr. and Mrs. Gillis Graham, the bride's parents, Ronny Ayres, John Iler, Robert Plenge, Gene Reamer, Kate McClane, Ann Bradbury, Mrs. C. W. Bradbury, Mr. and Mrs. Lester Glass, Rev. and Mrs. Aubrey Russell and Norma Laster.

Served at the tables decorated with white chrysanthemums and lily of the valley were chicken salad, waverly wafers, spiced peaches, stuffed eggs, olives, pickles, tea and George Washington pie topped with whipped cream.

Walkers Creek HDC Elects Officers

Walkers Creek Home Demonstration Club met October 3 at the Walkers Creek school house. Meeting was called to order by Mrs. E. B. Jager, vice president.

Officers were elected for 1957. They were President, Mrs. Willis Vogelsang; Vice President, E. B. Jager; Delegate, Mrs. V. L. Angell, and Secretary-Treasurer, Mrs. Bill Becker.

On October 10, the club members had family night at the school house with a covered dish supper. 42 was enjoyed by all.

Chicken Supreme in a Rice Ring

A suggested menu to serve with Chicken Supreme in a Rice Ring is golden squash, molded lime and carrot salad, hard rolls and berry cobbler.

CHICKEN SUPREME IN A RICE RING

1/2 cup butter or margarine, sliced
1/2 cup flour
1 teaspoon salt
1/2 teaspoon pepper
dash nutmeg
2 cups chicken broth
1/2 cup cream
2 cups diced cooked chicken
4 cups hot cooked rice
1/2 teaspoon paprika

Melt butter in saucepan, add mushrooms and cook until soft but not browned. Stir in flour, salt, pepper, and nutmeg. Add broth and cream all at once, stirring constantly until smooth. Cook until thickened, stirring occasionally. Fold in chicken.

Pack rice lightly into a buttered 8-inch ring mold. Let stand in a warm place about 5 minutes. Loosen sides with knife. Unmold onto a warm platter.

Fill center of rice ring with creamed chicken. Sprinkle with paprika. Yields six servings.

W.S.C.S. Circles Meet

Three circles of the Woman's Society of Christian Service met at the First Methodist Church, Monday afternoon at 3 p.m., for the third study on Southeast Asia. The program was led by Mrs. A. W. McCullin assisted by Mrs. Leland Green.

The Garner Circle was entertained in the home of Mrs. Pat Kelley with 18 members present.

Next meeting of the Society will be on Monday in observance of the Week of Prayer with a special program planned for the 3 p.m. meet. On Wednesday, October 31 from 11 a.m. to 2 p.m. Mrs. Lester Williams and Mrs. John B. Henderson will have charge of the program.

One hundred and twenty men accompanied Columbus when he discovered America.

CARD OF THANKS

The family of Mrs. Mamie Presley Stewart wish to extend our most sincere thanks and deepest expression to the many friends for their expression of sympathy and numerous kind deeds during our bereavement in the loss of our beloved mother and sister. Your thoughtfulness will always be remembered and ever appreciated.

Mr. and Mrs. M. R. Sheffield and son, Larry, of Bryan visited in the home of Mr. and Mrs. Willis Kuhn and also in the home of Mr. and Mrs. Otto Folschinsky of Rosebud.

Mr. and Mrs. Edwin Slecher and childre of Waco, visited Sunday in the home of his mother, Mrs. L. V. Stecher in Cameron.

District NHA Officers O. J. Thomas Students Win 1957 District NHA Offices

Students attending the New Homemakers of America district meeting from O. J. Thomas High School are shown above. Seated at far right is Joyce Marie Debose, who was elected district president, while Anna Talley, seated next to her, was elected secretary. Standing in the center is the newly elected assistant secretary, Doris Fern Williams, and sitting second from the left is Minnie Nell Sledge, district chaplain.

Forty members of the O. J. Thomas NHA (New Homemakers of America) attended the Northern District NHA meeting at Dunbar High School in Temple on Saturday, October 13. The students were accompanied by their advisor, Mrs. Hazel Burks, who is home economics teacher at O. J. Thomas High School.

Opening meeting of the conference included a discussion on "Youth Today and Leaders Tomorrow." Joyce Marie Debose, president of the O. J. Thomas chapter, was awarded a prize for giving the most intelligent answer to the question, "Are Good Leaders Born Or Made?"

O. J. Thomas students being elected to district offices for the new year were Joyce Marie Debose, president; Anna Talley, secretary; Doris Fern Williams, assistant secretary, and Minnie Nell Sledge, chaplain. Doris Nell Turner, a junior and a music student under Mrs. Julia Whiteside Hodge, was elected pianist of Area III. She and Joyce Marie Debose will represent the area at Camp Arrowmoon in June, 1957.

Red cedar wood is used most commonly in making lead pencils.

Lone Star Urges Gas Heat Users To Beat Service Rush

Users of gas home-heating equipment should have their units inspected and adjusted for winter use immediately, Mr. C. M. Burke, Lone Star Gas Company manager, said today.
"All too often," Mr. Burke said, "people wait until the first cold day of fall to have heating equipment conditioned for winter use. Heating service companies and Lone Star receive hundreds of calls for service within a period of only a few short hours, with the result that many individual service orders cannot be filled without considerable delay."
"We urge that users of gas floor furnaces, wall heaters, unit heaters, central heating plants and other equipment arrange for service now by calling their heating service company or Lone Star. In this way, the comfort of the entire family will be insured during the cold weather just ahead."

At least ten countries use the eagle as the symbol of supremacy.

If sold for the value of its chemical elements, the human body would be worth about 98 cents.

man Schulz, Mrs. Bill Matyastie and Mrs. George Logan attended the annual W.M.U. all day meet at Gause on October 18.

Services 1, 2, 3, 4, 5 and 6 need to be performed.

Necessary repair parts and materials not included in service charge.

LONE STAR GAS COMPANY

The Doctor Goes To Heaven

In this small town he grew to be a man
And ministered to folk who suffered pain.

With skillful touch and kindly words he came
And left us with faith to nourish heart and brain.

Life's caravan moved on. We did not know
That our good friend was doomed to suffer, too.

We could not picture life without his care,
Without his cheerful, happy words we knew.

Like a lightning bolt the news fell on our town
That he had left forever his fellow men.

With breaking heart and blinding tears we know
That never will he walk this way again.

A tribute to Dr. T. Leland Denson

By Lelia McAnally Batte

News From Buckholts

MRS. J. W. MEYER

LeRoy Koenig, Alvin Crider and Raymond Posival of Austin were visitors here Thursday night and attended the football game.

Mr. and Mrs. J. R. Slovacek were in Bartlett Wednesday as special guests at the birthday party celebration honoring their granddaughter, Diane Slovacek at her parents' home, Mr. and Mrs. Marvin Slovacek.

Mrs. Nadine Parker visited Mr. and Mrs. Fred Parker of Austin, Tuesday through Thursday.

Mrs. Hall Martin and children, Peggy and Rock, of Austin, were guests of her parents, Mr. and Mrs. Bill Thweatt, over the weekend. Peggy and Rock remained for a longer visit with their grandparents.

W. F. Kohring Dies Oct. 19

Funeral services for William F. Kohring, 79, were held from the Marek-Burns Funeral Home chapel at 2:30 p.m. Friday, October 19. These were followed by services at the United Evangelical and Reform Church of Ben Arnold at 3 p.m.

Mr. Kohring died at his home early Friday morning.

Services were conducted by the Rev. Gerald Cobb, pastor of the United Evangelical and Reform Church. Interment followed in the Ben Arnold Cemetery.

Surviving are his wife, Mrs. William Kohring of Clarkson; three sons, W. H. of Holland, Walter of Clarkson and Alfred of Clarkson; four daughters, Mrs. Frieda Strickler of Austin, Miss Lydia Kohring of Fort Worth, Mrs. Irene Stracener of Fort Worth and Mrs. Nora Starnes of Cameron; a brother, Fritz Kohring of Brenham; two sisters, Mrs. George Gaskamp of Brenham and Mrs. Carl Wehrman of Brenham, and six grandchildren.

Newman Now Residing Here

J. A. (Jess) Newman and family, formerly of Hearne, are now residing at 705 North Crockett Street in Cameron. Newman has been employed by the Ideal Hatchery and Poultry Farm according to Leo Fuchs, owner of the business. He will be an assistant manager and will be in charge of the hatching phase of the business.

Mr. and Mrs. Newman have two sons. They are Jack, who is a senior at Southeast Oklahoma College in Durant, Oklahoma, and Gene, who is a senior at Yoe High School.

Heart O'Texas To Ask Added Space At Valley Forge

Henry Paul Michalka, Jr., son of Mr. and Mrs. H. P. Michalka, Sr., 408 N. Fannin, is among more than 130 Scouts and Explorers who have made application for the 111 spaces allocated to the Heart O' Texas Council for the 4th National Jamboree, to be held at Valley Forge, Pa., July 12 to 18, James A. Cunningham, Temple, Jamboree Committee Chairman announced last week.

"We thought at one time that we might have trouble filling the space granted us by the National Council, but now we are going to ask for additional space for our Heart O' Texas delegation," Cunningham said, adding "We are still accepting reservation applications and will continue to do so until we are definitely informed that we will not be granted additional space."

A reservation request accompanied by a \$10 deposit is all that is required.

Ideal Poultry Has Open House

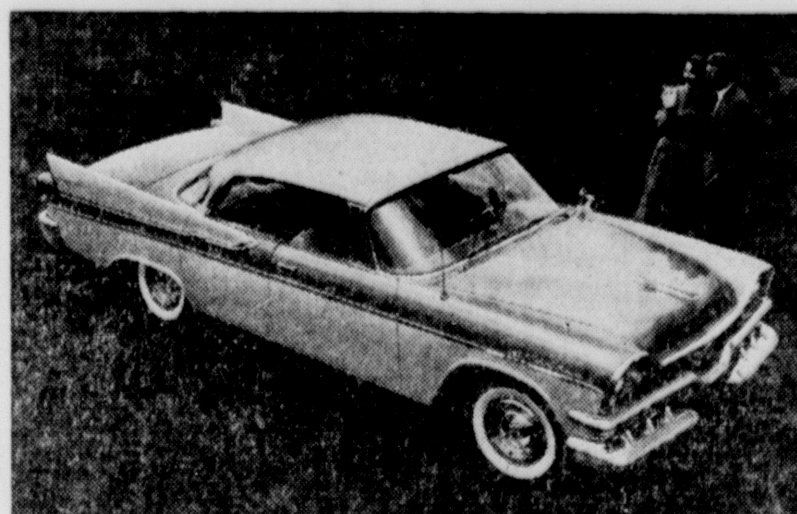

Open house of the Ideal Poultry Farm was held Tuesday and Wednesday, October 16 and 17. Tours of the farm were made the first day for FFA and Vocational Agriculture boys and second day for feed dealers and salesmen.

There were close to 200 students from Sharp, Troy, Cameron, Lexington and Thorndale. Dealers and salesmen attended Wednesday from Houston, Corpus Christi, Schulenberg and other points.

Leo Fuchs, operator of the farm, said there were other visitors both days with about 60 on Tuesday and 35 the following day. Other than the tours, an outline of the breeding program and the "on the farm random sample tests" were explained to all visitors. The Ideal tests were compared with those of inbred hybrid lines.

Detail records including feed conversion and cost of producing eggs are kept on all birds in cages. During August and September of this year, it was shown that the Ideal hens made a profit of one cent daily per hen.

Dodge Four-Door Lancer for 1957

EXTENSIVE STYLING CHANGES from front to rear give the 1957 Dodge the distinction of having more outstanding improvements than any new model in the company's history. In the Custom Royal four-door Lancer hardtop shown above, the striking rear fenders accent the styling theme for the 1957 Swept-wing Dodge. Duo-level front bumpers afford complete protection and also serve as a grille. Overall height of the Dodge Lancer hardtop has been reduced as much as five inches. Glass area of the new hardtop model is 53 per cent greater than last year.

Mrs. Minna Weige's Funeral Services Held October 19

Mrs. Minna Weige, 76, died early Thursday morning, October 18, at a Cameron Hospital. Funeral services were held from the Marek-Burns Funeral Home chapel at 1 p.m. Friday, October 19.

Services were conducted by the Rev. John Solomon, pastor of the First Presbyterian Church of Cameron. Burial was held in the Oak Hill Cemetery in Cameron.

Survivors were the husband, M. J. Weige of Ben Arnold; two sons, Jesse and Alvin, both of Ben Arnold; five brothers, Willie Kuehn, Ernest Kuehn and Edwin Kuehn, all of Industry, Emil Kuehn of Waco and Alfred Kuehn of Port Arthur, and one sister, Mrs. Ella Juergens of Industry.

Paul C. Graves' Cattle At Sale

Paul C. Graves of Route 1, Buckholts, will represent Milam County as breeder of top Hereford cattle at the Capital Area Hereford Association's sixth annual sale of breeding cattle on Thursday, November 1. The sale will be held at the City Coliseum in Austin, beginning at 1 p.m.

There will be 52 bulls and 11 females sold at the auction. These animals are being presented by 23 breeders from 10 counties in the Capital Area. The sale cattle, 50 horned and 5 polled, will be judged by Jack Burrus of Southwest University at 9:30 a.m. and sold by auctioneer Col. Walter Britten at 1 p.m.

Top Hereford cattle will come from herds in Travis, Williamson,

CAMERON TEXAS' HERALD, OCTOBER 25, 1956

Workshop Held At Sharp For Austin Presbytery

The fall workshop of the Austin Presbytery was held at the Sharp Presbyterian church, Thursday, October 18.

Mrs. B. A. Conner of San Antonio, the Presbyterial president, called the meeting to order.

Mrs. H. T. Haupt of the New Community Presbyterian church of Austin gave the devotional.

The group of 40 ladies were divided into four groups: Administration, world service, fellowship and programming.

Lunch was served in the annex at noon.

In the afternoon the Austin group presented a skit on "Fellowship and Evangelism."

Mrs. Connor closed the meeting with an afternoon meditation.

CARD OF THANKS

We wish to take this means of expressing our sincere thanks and appreciation to nurses and Sisters of St. Edwards Hospital, to Dr. C. G. Swift, to the Presbyterian Church and to the many friends and neighbors of our wife and mother, Mrs. Minna Weige, during this time of our bereavement.

M. J. Weige and Sons.

Bell, Milam, Blanco, Burnet, Lampasas, Caldwell, Bexar and Fayette Counties.

Officers and directors for the association in 1957 will be elected at a membership meeting in the Austin City Coliseum on Wednesday night, October 31. Plans for the 1957 sale will be discussed at this time. Hereford breeders of the area are invited to this meeting while all interested livestock raisers are invited to the sale.

Scout Leaders Meet Tonight

Leaders of Boy Scout, Explorer and Cub Scout units in the Tejas District will meet at 7:30 tonight, October 25, at the Presbyterian Church in Marlin. This will be the regular Round Table meeting for the leaders.

All Cameron leaders are urgently requested to attend this meeting.

Draft Procedures Reviewed By Board

The Milam County Draft board discussed new procedures and regulations recently, the most important of which was that the registrant should be careful to give a permanent address which in most cases will be the address of his parents.

Registrants who have been deferred as members of the national guard may be liable to immediate induction in the event they fail to participate satisfactorily in that unit, it was noted.

Men failing to participate satisfactorily in the guard will be certified to the board after approval by the Adjutant General, then reviewed by the State Director of Selective Service, after which they may be inducted without even being reclassified and having benefit of appeal rights. Those desiring information regarding requirements of satisfactory participation and possible certification to the Local Board, should discuss it with his National Guard Unit Commander.

Board members felt deeply the loss of Dr. T. Leland Denson who has served on the board since 1948.

Mr. Joe Vrazel Dies In Temple Buried Monday

Mr. Joe Vrazel, 58, died at Kings Daughters Hospital in Temple Saturday at 1:32 a.m. Services were on Monday, October 22 at 8:30 a.m. at S.S. Cyril and Methodius Church at Marak, with Father Rafael Gerskovich officiating. Burial was in Marak cemetery in charge of Marek-Burns Funeral Home.

Rosary was recited at the Funeral Home at 7 p.m. Sunday. Pallbearers were Anton Vrazel, Albert Vrazel and Lawrence Vrazel Jr., Anton Hermis Jr., Herman Heller and Leo Ermis.

Surviving are his wife, Mrs. Mary Vrazel of Buckholts; four sons, Joe J. Vrazel, Jr., Leo, Louis and Ladis Vrazel all of Buckholts; four daughters, Mrs. Jerry Kopriava and Mrs. Joe Trdy all of Cameron; two brothers, John Vrazel and Lawrence Vrazel of Buckholts; one sister, Mrs. Anton Ermis of Agua Dulce, Texas and seven grandchildren.

BOWLING NEWS

Off-Spot Pins Troubling League Bowlers' Scores

After investigating the many splits that were bowled this week, the cause was found and it wasn't the fault of the bowlers. Many good hits were witnessed all evening, but the end result was just another split. The real trouble was because of off-spot pins, and that has been corrected, and the pin spotters are now in perfect working order and we should see some excellent bowling at the lanes next week.

The trend this week seemed to be one sided, with Dr. Pepper shutting out Alcoa, the getting-warm fast Grand Prize bunch, who had lost 6 in a row, came bouncing back last week, got 4, then this week shipped the deg-

ers from KMIL 3 to 1. Temple K of C, who have in the past been jinxed in the 8th frame, overcame this handicap and beat Pearl 3 to 1, while Falstaff and First National Bank tied 2 and 2.

Pinfall: High 3 game series - Dr. Pepper 2245, Falstaff 2187, K of C 2180; High Team Game - Dr. Pepper and Falstaff 782, First National Bank 764. The champs this week for the high single games are M. Boyer 189, J. Humplik 185 and E. Orsag 184, while credit is given to the three men who showed good ball control, getting well over the 500 mark - Boyer 530, Orsag 523 and Dr. Boyce 508.

Falstaff and First National

Bank hold one of the alley records, by getting 22 splits in one game, while only one of the splits were picked up and that by J. Zawadzke 5-6-10. Other pickups were Heitmann 5-7 and 4-5, Allison 5-8-0, Wertz 5-4, Howel 2-7-10, and Johnson 3-10. Only three men, Mercer, Stermer and Cox were credited with turkeys.

National Hall Lady Bowlers Leading League

Teams representing National Hall and New Cameron Drug led in single game and three-game series scoring during the fifth week of bowling in the Cameron Women's Bowling League. National Hall racked up a 581 for the single game with a total of 1,582 for the series. New Cameron Drug took a 535 and a 1,543.

Action during the week found Green Funeral Home, Coca-Cola, Vaculin Service Station and Woodum Auto Sales following the leaders in that order.

Dorothy Dillon was high point member of the National Hall team with a 169 for a single game and a 463 series score. Jody Pernice scored a 166 single game and Irene Mees trailed her by a single pin. They tied for second place in series scoring with a 432. Jody Pernice is a member of the Pearl team. Barbara Schattle of the National Hall team was the league's next high scorer with a 160 single game and a 417 series.

Annie Schattle, Falstaff team bowler, acquired a 160 single while Barbara Hollas of the same team rolled a 426 series. Evelyn Burke, New Cameron Drug team, had a high single game of 161 and a series of 434, and Clara Humplik of the same team gained a 425 series. Another 160 single was bowled by Audrey Boyce on the Green Funeral Home team.

Barbara Hollas picked up a split and a turkey for the Falstaff team. Ellen Dillon and Muriel Masopust (a substitute bowler) each picked a 5-7 split for the Vaculin Service Station team. On the Woodum Auto Sales team, the 2-7-8 splits was converted into a spare by Agnes Barton.

Clara Humplik, New Cameron teammate, picked up a 5-7 split while Evelyn Burke neatly pushed over the 5-7-9 pins for a spare game. Milady Hollas of the Coca Cola team knocked over the 3-10 split.

Prize winners were Dorothy Dillon for bowling the highest series and Clara Humplik for picking seven splits in a series of three games. Awards were made by Lelia Rogers Beauty Shop and Audrey's Beauty Salon respectively.

New Treat For The Youngsters

Here's a new dessert and party surprise that's certain to make you the most popular mother in the neighborhood—Jelly Roll Pops. The tots will love these bright jelly roll slices edged in creamy chocolate or white frosting. Miniature jelly rolls (2½ ounces) from your grocer's ready-to-eat cake department are the perfect size for Jelly Roll Pops, and the frosting may be melted dot chocolate, made from prepared mixes, or from your own favorite frosting recipe.

JELLY ROLL POPS

Miniature jelly rolls (plan three pops per jelly roll)
Large meat skewers or narrow wooden tongue depressors
Frosting
Thoroughly chill or lightly freeze jelly rolls. Slice each into three even slices. Insert a skewer carefully but firmly into the center of the bottom of each slice. Spread outside edges and back of each slice with frosting. Place, frosted side up, on baking sheet. Chill before serving.

Dodge Debut —

(continued from page 1)

requested to register for the door prizes that includes free gasoline, polish and wax job, lubrication jobs and complete winterized radiators with Premium Anti-freeze.

The 1957 Plymouth according to Milton Schiller show the so called "new" cars for the new year will already be three years out of date. These Plymouths, he said are within the price range of every car owner and have the styling in appearance to rank with the highest priced sports cars on Texas Highways today.

They feature Torsion-Aire Ride which provides driving and riding comfort for every passenger in the vehicles. Flight sweep styling and tops in interior designs will catch the eye of critics, who notice only the ultimate in progressive styles.

Both Jerry and Milton point out the many advantages of lower, longer and wider with far-reaching advances for smoother, quieter performance in the 1957 Sweet-Wing Dodge passenger cars making their first appearance in their showrooms on Tuesday.

M. C. Patterson, Dodge President, said dynamic new principles of auto design and manufacture, with exciting new applications of materials, have been combined to produce an advanced design 1957 Dodge with "entirely new riding characteristics, virtually free of vibration, noise and road shock."

The same autodynamic principles responsible for achieving this new driving sensation in the 1957 Dodge also made possible many of the car's swept-wing styling advances.

Safety Features Retained
Two hold-over features of the 1957 Dodge are the Life-Guard safety door latches and the independent emergency braking system.

The Life-Guard safety door latch automatically secures doors against accidental opening. New recessed door handles put out with the same simple action used in opening a drawer, and offer no hazard to fingernails.

The independent emergency brake, a Dodge exclusive in the medium price field, gives the driver two completely separate braking systems.

How Dodge was Lowered

The new low look of the 1957 Dodge has been accomplished while maintaining interior headroom and full road clearance. Floor of the car is recessed in the frame, accounting for space saving. The old air cleaner that used to perch on top of the engine has been replaced by a new paper-element cleaner that fits against the side of the engine, permitting lower hood lines. Torsion bars and the thinner roof do the rest to lower the entire silhouette of the car.

Subtle Color Shades
Fourteen solid colors, all specially created in subtle shades, are available as single tones for 1957 Dodge cars. In addition, there are 51 stylish two-tone combinations in the new warmer

available and pays overseas freight to many countries, is our answer—growing from our abundance—to their need. The churches pay handling and distribution costs and freight to some countries.

All food is distributed by relief committees, affiliated with the National Christian Councils of the countries concerned, or by recognized inter-denominational committees.

Good Reserved

Yoe Home Game

Tickets Remain

Superintendent of Schools Willey Loughmiller reports a few remaining good seats remain unsold in the reserved seat section at \$2.50 for the remaining two home games.

Gross income from the Cameron-Caldwell game was \$1,433.05 less \$179.80 paid out to the visitors and for officials, the superintendent reports.

Quarterback Club

Sees Football Film

Members of the Yoe High Quarterback Club held their regular weekly meeting Monday night at the FFA Building with Bob Nelson presiding.

Yoe Coaches Leo Jackson, Murphy Webster and James Speer gave the club an outline of the team's condition. They also reported that all members of the squad appeared in uniform for practice Monday afternoon and expressed hopes that all would be in condition to see action in the Cameron-Stephenville game.

Highlight of the meeting was a showing of a film of the Cameron-Caldwell game.

Maryland has the only state flag bearing a coat of arms.

More salt is present in the Atlantic than in the Pacific Ocean.

Chevrolet —

(continued from page 1)

the show rooms and without exception all seemed highly enthused with the appearance and capabilities of the '57 Chevrolets. Mr. Grabein said, This was the largest turnout in the local dealer's history on the showing of a new model. Showrooms were packed with viewers expressing their admiration all day, seldom less than 10 to 20 were around even during the noon hours and hundreds more stopped by after closing hours to get a glimpse of the car of the year.

Already sales of the 1957 Chevrolet indicate it will again lead the auto field in sales within Milam County for another successive year.

tones of high fashion color. Numerous features on the new and more powerful 1957 "K" Series Dodge trucks were designed especially with agricultural users in mind.

Every hauling need on farms and ranches can be met by one of the models in the entirely new Dodge truck line which offers nine engines with 12 different horsepower ratings ranging from 113 to 232 horsepower, it was announced by Jerry Schiller, of Schiller Motors, local Dodge dealer.

A wide choice of 6-cylinder and Power-Dome V-8 engines, transmissions, axle ratios, wheelbases, and stake and pick-up bodies permits a farmer or rancher to choose an economical and dependable model built for his specific needs.

Luxurious new cabs, 3-speed automatic transmissions with push-button driving controls, increased power, new riding comfort and safety, power brakes, and modern new styling make the new Dodge trucks even more suitable for combined family and farm hauling use.

Tyler Man Wrecks Auto Saturday Night

Failure to complete a turn resulted Saturday night in an automobile accident. The incident occurred at the intersection of the Highway and Scott Street near Hudson's Truck Service when the driver of a 1955 model vehicle ran into a utility pole after failing to make the turn.

Driver of the car was E. E. House, a colored man of Tyler. L. C. O'Quinn, another colored man of Tyler, was a passenger in the car. Neither was injured and no charges were filed against them.

Investigating the accident was Night Chief William Hamilton (Brandy) Brandenburg of the Cameron Police Department.

Hospital Report

Patients in Cameron Hospitals receiving treatment during the week from Tuesday, October 16, through Tuesday, October 23, included persons from the city and five other communities.

Cameron: Mrs. Frank Posival, Mrs. Ida Kreusch, Mrs. Marvin Posival, Mrs. Edwin Hrozak, Mrs. F. A. Kopriva, Mrs. Alton Fuchs, Mrs. John Bryson, Mrs. C. P. Shelander, Miss Ollie Reneau, Richard Watkins, Ivan Cleek, Miss Olga Marek, Mrs. B. C. Caldwell, Sister M. Lucresia and Mrs. Eleno Alvarado.

Milano: Mrs. Lessie Boggan, Clarence Davenport, Randy Hart and Mrs. W. H. Dreher.

Lexington: Thomas Aaron Hart and Marvin Drosche.

Rockdale: Mrs. Roy Williams, Mrs. Charles O'Connor and Mrs. J. C. Morgan.

Buckholts: Mrs. Frank Tomask.

Burlington: Mrs. C. Eichenhorst and Mrs. Leo Helpert.

Elm Ridge: Mrs. Cornelius Titts.

Mayfield: Roy Weems.

Ben Arnold: O. H. Rice.

Killeen: Mildred DeBose.

School Investments

Texas' permanent school fund now totals more than \$335,000,000. It's the largest of its kind in the U.S.

Annual income to public schools is about \$9,000,000, the State Board of Education has been advised by its investment counselor.

Two-thirds of the fund is invested in the U. S. Government, the remaining \$125,000,000 in Texas. In-state investments include \$92,000,000 lent to school district, \$3,000,000 to cities, \$21,000,000 to counties.

Mr. and Mrs. Bill Grizzard of Cameron spent Saturday and Sunday, October 20 and 21, in Jacksonville. They were attending the reunion of the 1943 Graduation Class of which Mr. Grizzard is a member.

License Description

Next year for the first time since 1932 Texans will have black and white license plates on their cars. Letters will be black, backgrounds white.

State Highway Department said it is bowing to public insistence. Black and orange plates didn't blend with today's auto color schemes.

New tags also will be dressed up with a "lone star" between the prefix letters and the numbers.

Texas Prison System is producing some 4,500,000 pairs of plates and 392,000 single plates. They go on sale February 1.

Yoe Future Farmers Attend

National F.F.A. Convention

Pat Kelley and five of his Yoe Future Farmers returned Friday night from the National F.F.A. Poultry contest in Kansas City.

The Cameron boys were not contestants but attended the convention. On Monday they went to the Kansas City Stockyards and to the Armour Packing Company.

Attending were Adrian Richter, Joe Walzel, Carol Wayne Jungman, Arthur Parker and John Lawhon.

On the way home the boys visited the Ford Assembly plant and viewed the sights around Lake Fort Smith in the Ozark mountains of Arkansas and spent the night in the famous mountains.

Fourth To Half Inductees

Volunteer Says Schwartz

A total of 33,014 Texans entered the armed forces during the first three-quarters of 1956, and 33,501 were separated from active service during the same time.

This was revealed Friday in a report made by state Selective Service headquarters to the national Selective Service headquarters in Washington.

Of the 33,014 individuals entering the uniformed services from Texas during the first nine months of the year, only 4,811 were drafted, the remaining 28,203 entering by enlistment or other voluntary means.

"Actually, between a fourth and half of the inducted men were volunteers," Colonel Morris S. Schwartz, state Selective Service director, said.

Edison invented the flash light in 1914.

Ships weigh less when traveling east than when traveling west.

Driver Examiner
Here Every Monday
Gives License Tips

C. B. James, Milam county driver's license examiner for the State Department of Public Safety, gives timely tips on renewal of driver's license.

If your driver's license needs to be renewed, here's what James says to do.

If you have received a renewal notice card from the driver's license division, mail the notice with proper fee in the form of a money order or cashier's check to the Department of Public Safety, Drivers License Division, Box 4067, North Austin Station, Austin, Texas. Do not send cash. Your new license will be mailed within 45 days.

Persons making application for original Texas drivers' licenses are required to take a complete examination consisting of a written test, covering highway signs and highway rules, a vision and a driving test. Applicants must furnish a vehicle for the driving test.

Drivers' handbooks are furnished free of charge. Thorough study of the handbook helps applicants to pass the examination without trouble or delay, James said.

James issues licenses in Cameron at the Courthouse. Written tests are given there at 9 a.m. each Monday and in Rockdale at the American Legion Building each 1st 3rd and 5th Tuesdays with written tests beginning at 9 a.m.

If you have misplaced your license and it has been valid any time in the past five years, you can get a confirmation for renewal by sending a telegram from your local Western Union office, the office stated.

James added that in order for the state files to be searched for your driving license record, it is necessary for you to mail the full name listed on the last license held, date of birth, (month and year) with sex, race, color of eyes and hair and weight and height.

James stated many persons have misplaced or let their licenses expire who are entitled to renew them.

If your license has expired for more than five years, James suggests that you bring the old license to him for assistance in renewal procedure.

Trench Silo Uncovers Historic Burial

"PREACHER" CONWAY is shown here with his archeological find on the Tyson Freeman farm. He has lived within 100 yards of the site for nearly forty years. The accompanying report was written for the Cameron Herald by the Department of Anthropology at the request of Mrs. Freeman.

This archeological site is located about 2 miles south of Maysfield in the valley of Little River and is associated with what appears to be a gravel terrace remnant. Approximately four feet of human occupational refuse lies on top of this knoll-like terrace remnant. The site is on land owned by Mr. and Mrs. J. C. Freeman of Maysfield, and it was reported by

newal procedure.
What is the most a person could be fined for driving while license suspended? (Check one)
() \$500.00
() \$200.00
() \$50.00

Mrs. Freeman to the Department of Anthropology, The University of Texas, early in August, 1956. A north-south trench silo had been dug to a depth of some 10 or 12 feet in the knoll, and after its abandonment human bones were discovered protruding from the west wall of the trench. After notification by Mrs. Freeman, a party from the University of Texas visited the site on August 6 and made an examination of the area. Included in the party were T. N. Campbell, Chairman of the Department of Anthropology; Doran H. Winfrey, Research Associate in Texas History; and two anthropology students, LeRoy Johnson and Don Walker. Mr. Edward B. Jelks of the National Park Service, Washington, D. C., happened to be in Austin at the time and also accompanied the party.

A survey of the situation revealed that two group burials were located in the west wall of the silo trench. Burial 1 contained at least two individuals who had been placed in a burial pit some 4 feet in diameter and 4 1/2 feet deep. The skulls and a few long bones were removed for the sake of safety. Burial 2 lay about two feet north of the first burial, and it also contained at least two individuals, fragments of whose bones were also removed. In this burial area the outlines of the burial pit could not clearly be traced. In both burials many of the body bones had been removed when the silo was dug, or had fallen from the trench wall recently.

Only in Burial 1 could the position of the body be determined. One individual lay on his right side with legs folded at the knee (archeologists refer to this position as semiflexed). The spinal column and head pointed toward the southwest. The skulls, although fragmentary, were fairly well preserved, but all were very badly warped by pressure from

the overlying earth. They seem to be skulls of adult males of fairly light build. These skulls are long and narrow - a type that is very common among prehistoric Indians of central, southern, and western Texas. No objects were found in association with the bones, and this prevents any positive identification of the Indian groups or tribes on the basis of skeletal remains alone. Indian skeletons tend to look very much alike, just as white men's skeletons tend to look alike.

A few flint tools were collected from the surface, and these appear to have come from the refuse layer cut by the trench silo. These few tools are similar to those made by Indians of the Edwards Plateau culture; they include spear points, knives, and blades. Without excavation it is not possible to do more than shrewdly guess at the identifica-

tion of the Indian people represented at the Freeman site. However, we think that both the skeletal remains and the artifacts can be assigned to some local variety of the Edwards Plateau culture of Archaic times, a period stretching from about 5,000 B. C. to about A. D. 1,000. The Edwards Plateau people were hunters, fishermen, and food-gatherers, not farming Indians. They cannot be linked with any of the historic tribes in the area.

A small test excavation is being planned for the Freeman site, and

News From Milano

MRS. DAN ROBINSON

Milano has had several badly needed showers lately, measuring about 1 1/2 inches. People are busy planting fall gardens.

Milano Baptist church will start a revival, October 24, according to the pastor, Rev. Claud Ellis. The Evangelist will be Reverend Paul Byran of Speegleville Baptist church. Services at 7:30 each evening.

Mr. and Mrs. Dudley Battle spent the weekend in Austin in the home of a daughter.

Mrs. Dan Robinson and Mrs. Frank Spurill of Caldwell spent the weekend in Temple visiting their children.

Mrs. C. J. Ray has returned home from a visit with her granddaughter and family in Bryan. Mr. and Mrs. Joe Palasota and Verna.

Milano had another good shower of rain Saturday afternoon. It was accompanied by heavy thunder and lightning. High winds blew over antennas and broke limbs of trees.

Milano high school is working hard for their carnival that is coming soon. The first grade has a beautiful quilt on display at the Westbrook store which they are selling changes on. Each grade has something to raffie in effort to make money for the carnival.

Visitors in the home of Mrs. Maggie Miller over the weekend were Mr. and Mrs. Billy George Miller of Hearne and other relatives from Houston.

Mrs. Bill Hartley and two sons spent last week in the home of her parents, at Jacksonville.

Visitors in the home of Mrs. W. F. Hooker were her children, Mrs. Gyselle Burdick and Mrs. Robert Rogers of Sugarland. Mr. and Mrs. Claude Hooker of Houston. Mr. and Mrs. Johnnie Hooker and daughter and her two children of

this could give better grounds for identifying the people and culture represented. As very little is known about the archeology of the Milam County area, a test excavation should provide a better knowledge of the Indians who lived here long before the Europeans came to Texas.

Lake Charles, La. Mrs. Hooker is still unable to walk but is improving.

Mrs. Otho Warren of Hempstead spent the weekend here with her father, M. J. Pierce and sister, Miss Marylene Pierce.

Mr. and Mrs. Harold Kornegay have returned home from a wonderful vacation spent in New Mexico and other places of interest.

Mrs. Walter Guest and little daughter of Rockdale were visiting her grandmother, Mrs. Ollie Blackmon, Sunday afternoon.

County Supt. Hinton Pruett was a Milano visitor Monday and Saturday.

Mrs. Lessie Boggan is still a patient in a Cameron Hospital. Reports say she is improving.

Mrs. Mary Peebles, left Sunday, for a visit with her daughter and family, Mr. and Mrs. John Burns in Houston.

Only with the permission of Congress may an officer in the U.S. Government accept a title of nobility or order of honor from another country.

Cameron Guard
Adds Recruits

One new enlistment and five re-enlistments were recently made in Battery C, 649th Anti-aircraft Artillery Battalion, the local National Guard unit announced when reporting on new developments in the organization.

The new enlistment, it said, was made by Rodney D. Boswell. He is a high school student and resides in Rockdale. He is a brother of another Battery C member, Sgt. Clifford T. Boswell.

Re-enlisting in the Battery were M-sgt. George R. Hollas, Sergeant First Class Eugene A. Mitcham, and Specialist - 3 Henry C. Hubnik, Lawrence J. Kostroun and Daniel J. Hromcik. All five re-upped for three year terms. Hubnik and Kostroun are assigned to the Maintenance Section; Hromcik is assigned to the Gun Section.

Hollas is a platoon sergeant and Mitcham is the battery's Motor sergeant. Both are early members of the Guard unit, enlisting shortly after it was activated in 1947, and have just completed nine years of service.

There are no tigers in Africa.

From where I sit ... by Joe Marsh

Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday-saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the Clarion, so I turned to the fastest "news service" in town ... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies-all pretty fair talkers-and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it-but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper . . . they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed . . . just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab -don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

Joe Marsh

TELEPHONE
TALK

by C. L. Carson, Manager

Telephone Manners

Have you ever thought how your voice speaks for your personality when you're talking on the telephone?

It's different from meeting someone face-to-face, when a smile and a warm handshake can get you off to a good start.

On the telephone, your voice is you. It speaks for you, tells the other party on the line a lot about your personality.

So, remember your telephone manners. Be courteous, pleasant, and distinct. Other people will appreciate it, and you'll feel better for doing it.

"Just Pick Up the Phone"

How often have you said to someone: "Don't worry about it. Just pick up the phone and call."

Yes, the telephone saves you time and steps each and every day, because for many of your errands all you have to do is "pick up the phone."

In fact, there's nothing else in your home, store, or office that can "take you around town" to shop, get information, or just chat - and do it in a matter of seconds.

So next time you pick up the telephone to make a call, think how convenient telephone service is for you and your family.

Call by number. It's twice as fast.

Never before in history has anything

built by man traveled so far in so short a time

-by land or sea!

An announcement of decisive importance
to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords-identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run . . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before - in this country or abroad.

We provided them with '57 Fords-cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time-by land or sea!

But this was not a test of speed-but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear-of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy . . . and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar-the greatest the world has ever seen.

Yoemen Surprise Hornets, Fans In 2d Half

Extra Yardage Try Good

Bobby Elliott, Yoe quarterback with ball, has just faked a handoff and is turning to give the ball to Guy Dillon, who makes a substantial gain. This play was run early in the second half and as shown by the Yoe line here, their offensive blocking put an end to Caldwell's penetrations to halt Cameron ball carriers.

Cameron Yoemen Getting Win Streak Underway

Physical shape of the Cameron Yoemen is improving with fewer players suffering from virus infections and previous injuries becoming healed. Playing a 500 series of games thus far with three wins and three losses, citizens of Cameron and the surrounding communities should give more of their time in observing these boys in action.

Yoemen have started a winning streak which we believe will continue for this season. They go forth to battle on the gridiron with no thoughts of compensation other than a word of approval from their families and friends. Such approval can be given whether you attend the games, pep rallies and quarterback club meetings or not. However, you and I can put more heart in our words of praise if we take part as spectators.

Win or lose, the Yoemen put forth their greatest efforts to provide a winning team. Lady Luck does not always ride with them; the same should NOT be said of the Cameron fans.

Sports Photography

In last week's issue of The Herald as in this week's, pictures of the Yoemen in action are appearing. We have received admiring comments from editors of other weekly publications, sports writers of dailies in the area and from Cameron fans.

These compliments along with our own we must pass on to Eddie Brady, who has been and is still doing an exceptional good job of photography in covering the

Yoe Band History Written By Student Who Knows Director Best

From Yoe High Chant
By Kay Cox

The present Yoe High Band of Cameron had its beginning in the summer of 1931, when the present director, Francis Cox, came to Cameron for the purpose of teaching private pupils, hoping to get a band of some kind organized. His first class of twelve boys plus eight men who could play composed the first band group. This was the Yoe band.

A Fan Indeed

One Cameron football fan does not stop with seeing our local games and giving a word of encouragement to each and every one of the Yoe players.

If you have ever participated in sports, you realize the dryness which develops in athletes' mouths during games. A sport with such hard bumps and knocks as is in football prevents players from drinking too much water. The remedy? Chewing gum for each and every player.

This fan of whom we speak, Calvin Markham, is doing something about this problem. He provides Coach Leo Jackson with package after package of gum to be distributed among the players before, during and after the games. Yoe High is indeed lucky to have such fans, who express their appreciation with action for the welfare and comfort of our students.

band was self-supporting, receiving no aid from either the school or the city government. This band played its first formal concert in the spring of 1932.

During its second year the band attended its first concert, winning a first place as a municipal band. This year also marked the organization of a Band Parents' Association. This group was destined to be the chief backer and money raising source of the band.

The school year of 1933-34 saw a definite improvement in the band's status. The public began more definitely to support the band. This year the band was issued its first uniforms, and won first place as a municipal band at state contest.

During the year of 1934-35 an allotment was received from the city and a room was provided for instructions. The band membership grew to 25 or 30 members.

In 1935 the band work was open to all students. Girls began taking lessons and membership rose to 50.

The issuing of the first set of uniforms in the military style took place in 1936. This style has remained the basis type throughout the years.

In the following year the band increased to 65 members and it earned a second rating at the spring contest.

The band reached its maturity in the school year of 1937-38. It earned first division rating in concert playing, sight reading, and two marching contests.

The following year those ratings were earned again at state contest and the band advanced to the National Band Contest at Abilene where they received top honors. In the spring of 1940 the band went directly to the National Contest at Waco where they rated a second division. The band re-entered the state contest receiving three first division ratings.

During World War II the band stayed busy with concerts, War Bond sales, scrap metal drives and community projects. The band also had the honor of playing concerts for the service men at newly-opened Camp Hood at

Sharp Cub Scout Pack Organized

A cub scout pack has been organized at the Sharp Presbyterian Church.

At the third meeting, on October 16 Nelson Davis was elected Pack Chairman; Henry Abel, Cub Scoutmaster; W. L. Jacoby, was elected Chief Den Mother at an earlier meeting with Mrs. Henry Abel, Mrs. C. O. Mayfield, Mrs. H. C. Killough, Mrs. George Hosch and Mrs. Nelson Davis, assistants.

Cubs are boys in the 8 and 10 year bracket. All boys of this age group are asked to be present Tuesday, October 23.

They will have their regular weekly meetings each Tuesday at the Presbyterian Church educational building at 3:30 p.m.

Sharp Annual PTA Carnival Saturday

The annual Halloween carnival, sponsored by the PTA of the Sharp High School, will be held at the Sharp school gymnasium, Saturday night.

The food stands will be opened at 6 o'clock. Cakes, pies, sandwiches, coffee, popcorn balls, and bottled drinks will be for sale.

A cake walk will be held and a fishing pond will be provided for the small children.

There will be games with prizes for all ages.

The Carnival queen will be selected at 7:30.

The coronation ceremony will be held in the auditorium at 8 o'clock.

Killeen, being the first civilian band to appear at the camp.

At the end of the war the new administration set aside three specially designed racks to carry all the large equipment. The state band contest were re-activated in the spring of 1946, and the Cameron band entered, rating first division. Since then the band has earned the first division in concert playing every year. This means that the band has rated no lower than first since 1937.

In recent years, the band has enjoyed a large growth both in membership and physical equipment. The band owns every instrument excepting the personal owned ones and the new \$7,000 set of uniforms.

This Yoe High Band was created and developed through the hard work and sacrifices of Mr. Cox, an excellent musician, teacher, and leader of young people. And the public as well as students look with pride and enjoyment upon the maroon and gray clad Yoe High Band.

After a first half of laxity and fumbling, Cameron Yoemen in the second half of their tilt with the Caldwell Hornets was a completely different team. They scored all of their 29-7 victory in the last two periods.

Outweighed by an average of 10 pounds, the Hornets failed to keep their running and passing attack up to par. Meanwhile, Yoe men defense against ground plays and aerial attacks clicked continuously and offensive action carried too much power for Caldwell.

First quarter of the game was a scoreless period for both elevens. Guy Dillon, 190 pound full-back, did get loose early in the game to ram through Caldwell's first line of defense and dash to within seven yards of paydirt. The play was called back with a penalty against the Yoemen. This official action dampened the spirit of the hometown squad while Hornets began to swarm on both the ground and in the air.

Backed well into their own territory, Yoemen lost possession of the ball when Bobby Elliott fumbled on the 19 yard line and the ball was recovered by Bill Addison of Caldwell. This time the Yoe line held to take over on downs.

A series of plays advanced the ball near the midfield stripe when a pass from Elliott was snatched from the ozone by J. H. Carroll of the Caldwell secondary. Advancing the ball to the eight yard line, Jack Orsak then headed around his right end for the goal line and when feeling the hands of Yoe sacklers, twisted and tossed a lateral to Carroll. He made the first score of the game. Johnnie Hare converted for the extra point, and Caldwell led at halftime 7-0.

Fast becoming recognized as a second half team, Yoemen advanced this recognition Friday night as they seemingly kept the pigskin predestined in all its movements. They took the kickoff on their 35 and runs by Arthur Marek, Warren Rinn, Dillon and Elliott and a completed pass from Elliott to Ray Green carried the ball to the 13 yardline. Another fumble recovered by Larry Lytle gave Hornets possession of the ball.

Yoe linesmen not only held but forced Hornets back against the goal where an attempted punt was blocked behind the goal for a Yoe safety. From the 20, Caldwell punted to the 40 and A. Marek got away on a long run to carry the ball back to the 13 yard line. From there, Rinn took one hand-off from Elliott to gain the two yard line and then another to cross over for a TD. Dillon's try for the conversion was good, and Cameron went into the lead 9-7.

Kickoff was then taken by Hornet Carroll on his 23 where he was stopped in his tracks. Yoe linesmen held, forcing a Caldwell punt which was blocked by John Solomon on the Caldwell 13 yardline. Arthur Marek went over for the TD and again Dillon's conversion was good.

Third quarter ended after another kickoff to Caldwell and an exchange of the ball by a Hornet punt and a penalty forced Yoemen to the wall. Rinn carried from his five to the 18 and Hubert Marek immediately followed suit with an advance to the 23 yardline where the period ended.

As play resumed, Dillon carried to his own 30 from which Rinn got away on a 50-yard dash to the Caldwell 20 yardline. Dillon in a series of plays then advanced to the 12, the eight and carrying five horns on his back carried from that point to within inches of the goal. Rinn picked up the touchdown and Dillon converted as Cameron led 23-7.

Dillon's kickoff was returned by Hornets to their 17. From that point, Hornet Orsak began passing in a desperate attempt to get back into the game. Yoemen to him must have seemingly have been everywhere as they slapped his passes to the ground until Solomon rose from his center position. This time rather than slapping, he grabbed the ball and tucked it under his arm and plowed forth for a tally. Jessie Kirk tried for the conversion but his at-

Homecoming Queen

Yoe School Superintendent Wiley W. Loughmiller presents a corsage of flowers to Miss Rita Morrow, Yoe High Homecoming Queen. The queen, who was escorted during halftime ceremonies by Co-captains John Solomon and Ray Green, is a member of the senior class. Beverly Rice is shown at right in the picture.

Seniors' Float Wins In Parade

Voted as outstanding float in the Homecoming Parade Friday, October 19, was the one entered by the Senior Class. Manning the gridiron anti-aircraft weapon against invading Caldwell Hornets is Yoe Left Tackle Paul Hoelscher and Center John Solomon. The Cameron Beauty riding behind the Yoemen is Miss Rita Morrow, Homecoming Queen.

Buckholts Badgers Host Sharp Mustangs Tonight

Buckholts Sixman Badgers will host the Sharp Mustangs and the Buckholts Exes on Thursday night (tonight) at 8 p.m. in a 21-B contest which will be the Buckholts Homecoming event.

Parents and Teachers will serve a chicken dinner with all the trimmings and invites all Buckholts Exes and their friends to enjoy the meal in the school lunchroom. Serving will be from 5 to 8 p.m.

Buckholts stands at the top of the district at this time with three wins on no losses, Sharp is second with two wins and one loss; Jarrell has won none and lost three while Platt has won one and lost two.

Two St. Monica Weddings On Nov. 10 Announced

Charlene Sommers
Miss Charlene Sommers' engagement and approaching marriage to Frank Kamenicky, son of Mr. and Mrs. Roman Marek, is announced by her father, Otto Sommers of this city.

The wedding will take place on November 10 in the St. Monica Church in Cameron.

Barbara Ann Simmons
Mr. and Mrs. John R. Simmons, 1607 N. Crockett announce the engagement and approaching marriage of their daughter, Barbara Ann, to Julius Zucha, son of Mr. and Mrs. Paul Zucha of Wilson, Texas.

The wedding will take place in St. Monica Catholic Church in Cameron on November 10.

Cameron Hair Stylists Attend Beauty Clinic

A Beauty Clinic was held at the Kyle Hotel on Sunday, October 14 with Lelia Rogers, Fay Kothek and Loraine Arnold in audience.

The Fall style, report the Cameron hair-stylists is the "Bouffant-tasse" and they add "It's the length not the width with the brush wave."

Guest artists were D. S. and Don Elmore from El Paso. These artists were the Lone Star Winners.

Mrs. Rogers attended private lessons on Monday.

Marak CYO Has Weiner Roast

Marak Catholic Youth Organization held its monthly recreation with a hay ride followed by a weiner roast and refreshments. The meeting was held Wednesday, October 17, and began at the parish grounds at 6:30 p.m. Plans for the evening were formulated by the social committee.

Tractor driver for the hayride was Alfred Vansa.

Snakes have as many as 300 pairs of ribs.

Cameron Delphians Discuss "Let's Talk About Books"

Cameron's Delphian Club discussed "Let's Talk About Books" with Mrs. J. D. Eplen as discussion leader at its meeting on Tuesday, October 16 at the home of Mrs. E. A. Perrin.

Meeting at 3:30 p.m. with 18 members and two guests present Miss Ada Margaret Smith reviewed the book "My Name Is Tom Connolly."

The dining room was decorated in Gold and Brown. Mrs. Morris Eplen, president of the club poured coffee as Mrs. Frank Perrin served the salad.

The color scheme was enhanced by autumn flowers. Guests were Miss Ada Margaret Smith and Mrs. Frank Perrin.

Henrietta Slavik's Wedding Date Set

Mr. and Mrs. Frank Slavik, Rt. 1, Cameron, announce the engagement and approaching marriage of their daughter Henrietta Ann to Charles Thomas Chandler son of Mr. and Mrs. J. G. Chandler of Hearne, Texas. The wedding will take place on November 21 at Saints Cyril and Methodius Catholic Church at Marak.

Balhorn Honored

Robert J. Balhorn, son of Mr. and Mrs. W. W. Balhorn of Cameron, has been named vice president of the Newman Club at Texas A. and M. College.

Other student officers elected include Jack C. Cook III of Dallas, president; Don C. Galvan of Victoria, treasurer, and Don B. Owens of Port Arthur, secretary.

San Gabriel Church Achievements High

San Gabriel Baptist Church has been named winner of the annual Town and Country Achievement award sponsored by the Milam Baptist Association, spokesmen said in Dallas Sunday.

Rev. C. R. (Bob) Perrin, pastor, will receive a parchment scroll and the church a metal plaque which can be displayed in a prominent position outside the building.

Purpose of the achievement program is three-fold:

(1) To stimulate interest and initiative in town and country church work.

(2) To recognize outstanding achievements by pastors and churches.

(3) To help Baptists realize their responsibilities not only to their own local church and community, but to the nation and the world as well.

The association is one of the 122 geographical areas in which the Baptist General Convention of Texas promotes such work each year.

Anne Hinyard Wins Honors

Anne Hinyard, daughter of Mr. and Mrs. C. W. Hinyard of 708 F. 15th Street, Cameron, is among the 68 students nominated for Gaillardian and Gaillardian escort at Southwest Texas State College this year.

The six couples elected as Gaillardians (all-college favorites) were presented at the Homecoming Dance, Saturday night, October 20. The dance and Gaillardian presentation will climax the annual Homecoming day events.

Miss Hinyard is a Junior physical education major at the College. She was nominated for Gaillardian by the SWT veteran's club.

Annual Sharp Halloween Party Saturday Oct. 27

The Sharp school has been making plans for the annual Halloween carnival on Saturday, October 27.

The classes have elected the following nominees to take part in the coronation: SENIORS: Velma Crow and Raymond Rydell. JUNIORS: Annie Munoz and David Pope. SOPHOMORES: Qwendolyn Taylor and Charles Janke. FRESHMEN: Florence Love and Nicky Caffey. EIGHTH: Winnell Jacoby and Danny Crow. SEVENTH: Nola Lovelace and Joe Hosch. SIXTH: Wanda Mitcham and Wayne Puckett. FIFTH: Linda Abel and Tommy Sample. FOURTH: Judy Hine and Sammy Jacoby. THIRD: Judy Richter and Reed Davis. SECOND: Dolores Lawrence and Monte Jacoby. FIRST: Janet Laffere and Mike Mayfield.

Others assisting in the coronation ceremony will be Howard Pierce, Jimmy Mayfield, Henry Abel Jr., Kathy Laffere, Bobby Killough, Coty Joe Brown, Lloyd Kohring, Billy Earl Caffey, Carey Wayne Offield, Tim Hanke, Kathleen Abel, Judy Beckhuser, Peggy Brokenbush and Julian Pope.

M. H. Baylor First Homecoming On Stunt Night, Dec. 8

Plans for Mary Hardin-Baylor's first homecoming celebration at Stunt Night, December 8, are being completed as Miss Elizabeth Q. Alexander takes over chairmanship of a college Homecoming committee appointed by Dr. Arthur K. Tyson.

Groups which will hold special reunions at this time are 1951-54, 1941-44, 1931-34, 1922 and 1927.

It was decided to include several student generations instead of individual classes in Homecoming celebrations for stunt night. By doing this many ex-students, who are not members of a particular graduating class will be included.

The homecoming weekend will open with an informal get-together in Hardy parlors on Friday night, December 7. At this time alumnae and ex-students will have an opportunity to visit the college faculty and administration, who will also attend.

An informal dinner in Hardy dining hall will be served preceding the Stunt Night program Saturday night. Plans for the weekend will be completed and announced in the near future, Miss Alexander said.

Surprise Birthday Party Given Mrs. John Tindall

The children of Mrs. John Tindall, recently gave their mother a surprise birthday party at her home at 709 N. Milam.

Food consisted of baked ham, chicken dressing with the trimmings and during the afternoon a birthday cake was cut and served with ice cream.

Guests were Mr. and Mrs. Hugh Ridout and children of Killeen, Mr. and Mrs. Leland, Jackie and Gary Tindall of McGregor, Me. and Mrs. Gunner Willgren of Austin and Mr. and Mrs. Sam Tindall, Donna and Lewis of Cameron.

Commercially speaking, the Douglas fir is more valuable than any other tree.

Lloyd's of London writes all forms of insurance except life insurance.

One World Community Is Aim Of United Church Women's Assembly On November 2

On November 2 more than ten million American churchwomen will observe World Community Day. At the Methodist church, in Cameron, the United Church Women will meet at 3 p.m. to observe the day.

Romans 9:3, "For the sake of my brethren, my kinsmen." is the underlying motif they have chosen for study. Their special study will be devoted to the United Nations' Universal Declaration of Human Rights and the two draft covenants.

To study... and to act is the aim of the ladies.

In Alliance Nebraska the women were concerned with the welfare of the Sioux migrants who settled in shacks on the edge of town. The ladies worked to get city council to incorporate these needy people. A social center was then possible, classes, laundry, shower and recreational equipment... already Alliance has a different feeling about the Indian Americans they suddenly found in their midst.

To study... and to act is the aim of the World Alliance.

In San Antonio a civic housecleaning was carried out by the women of that city. They held a workshop, endorsed new slum clearance legislation, obtained wide housing improvement and established a permanent committee.

In Cameron a "Parcels for Peace" collection will be made. While they are at work at understanding and promoting the doctrine of human rights, which they believe can bring freedom and peace to the world, they will also try to help their "brethren and kinsmen" around the globe who need life's first necessities... clothing, shelter and food.

The needs that the Cameron la-

dies will try to fill will be 1. Clothes for boys from 16 up. 2. Men's clothes, especially suits and overcoats. 3. Yardage of denim and sheeting for refugee mothers to make into work clothes for their families. (Three yards of material will make a pair of men's trousers.) 4. Blankets-full size and children's.

Children should be encouraged to bring their outgrown clothes for the little boys and girls in other lands.

All who will be urged to either attend or bring some of the articles above or do both.

Members of the United Church Women in Cameron are the ladies of the Presbyterian, Methodist, Episcopal and Christian churches.

The time is 3 p.m. on Friday, November 2.

Eighth Diocesan Catholic Women Council Meets

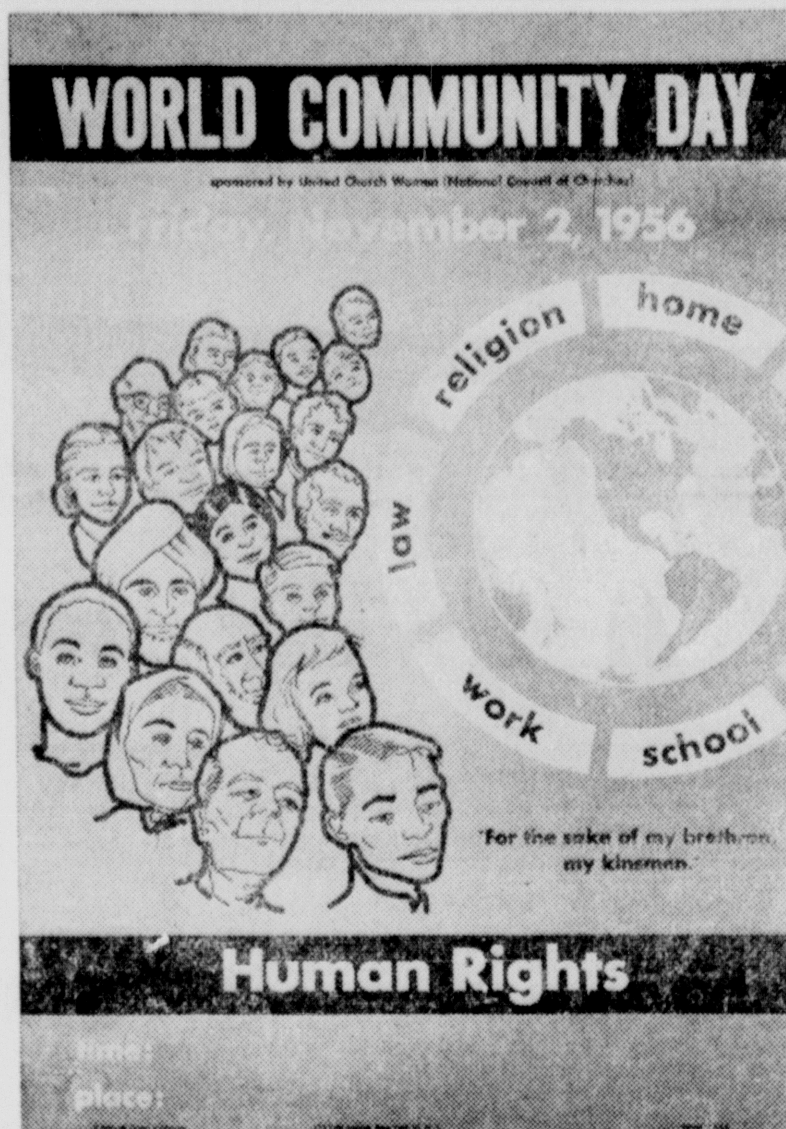

Eighth Annual Convention of Austin Diocesan Council of Catholic Women was held in Austin on Monday, October 15, 1956, at the Commodore Perry Hotel.

The Theme was "The safeguard and care of the Sacred Interests of Women."

Low mass opened the convention at St. Mary's Cathedral with the Most Rev. Louis J. Reicher D. D., Bishop of Austin officiating as celebrant. The sermon following mass was by the Most Reverend Stephan A. Leren, D. D. Auxiliary Bishop of San Antonio.

Sessions and workshops of the different organizations were held at the Commodore Perry Hotel.

CAMERON TEXAS' HERALD, OCTOBER 25, 1956

Presiding at the opening session was Mrs. R. E. Portele Diocesan president.

Luncheon was served in the Texas State Room honoring His Excellency the Most Rev. L. J. Reicher and presiding at the luncheon was Mrs. F. B. Frazee, Austin District president.

Honorable Tom Miller, mayor of Austin, welcomed the delegates and visitors: Address was given by Brother Elmo Bramsby, president of St. Edwards University.

Delegates from Cameron to the convention were: Mrs. August Kunz, Mrs. Ralph Michalka, Mrs.

Frank Hanel, Mrs. Pete Mikula, District representative was Mrs. David Shapiro; District president the Very Rev. George Duda as district moderator.

INTRODUCING: Paula Dee Anne, 7 pounds, born October 10 at 2:49 a.m. at St. Edwards hospital to Mr. and Mrs. David Perkins. The mother is the former Gloria Hearne. Grandparents are Evelyn Hearne the great grandparents are Mr. and Mrs. J. E. Arnold all of Cameron. Linda Denise is the 22 month "older sister" of the newborn.

Carol Ann Matula Engagement Told

Announcing the engagement and approaching marriage of Miss Carol Ann Matula are her parents, Mr. and Mrs. A. J. Matula, 807 W. Main.

Prospective groom is Jerry R. Stuth, son of Mrs. Hattie Stuth of Greenville, Texas.

Date for the wedding was not announced.

Non-Service Vet Benefactor Status Unchanged By Law

The new Survivor Benefits Act does not change death pension benefits to widows and children of veterans whose deaths were NOT due to service. Dr. George T. McMahan, Manager of the Veterans Administration Center in Waco, emphasized today.

The new law, signed by the President on August 1, 1956, revises death benefits only for the dependents of deceased veterans who died of service connected causes.

Dr. McMahan requested that the widows, guardians of orphan children and dependent parents not contact VA for information concerning the new law. "The VA will notify each person receiving death compensation under the present program concerning his rights under the new law," Dr. McMahan said.

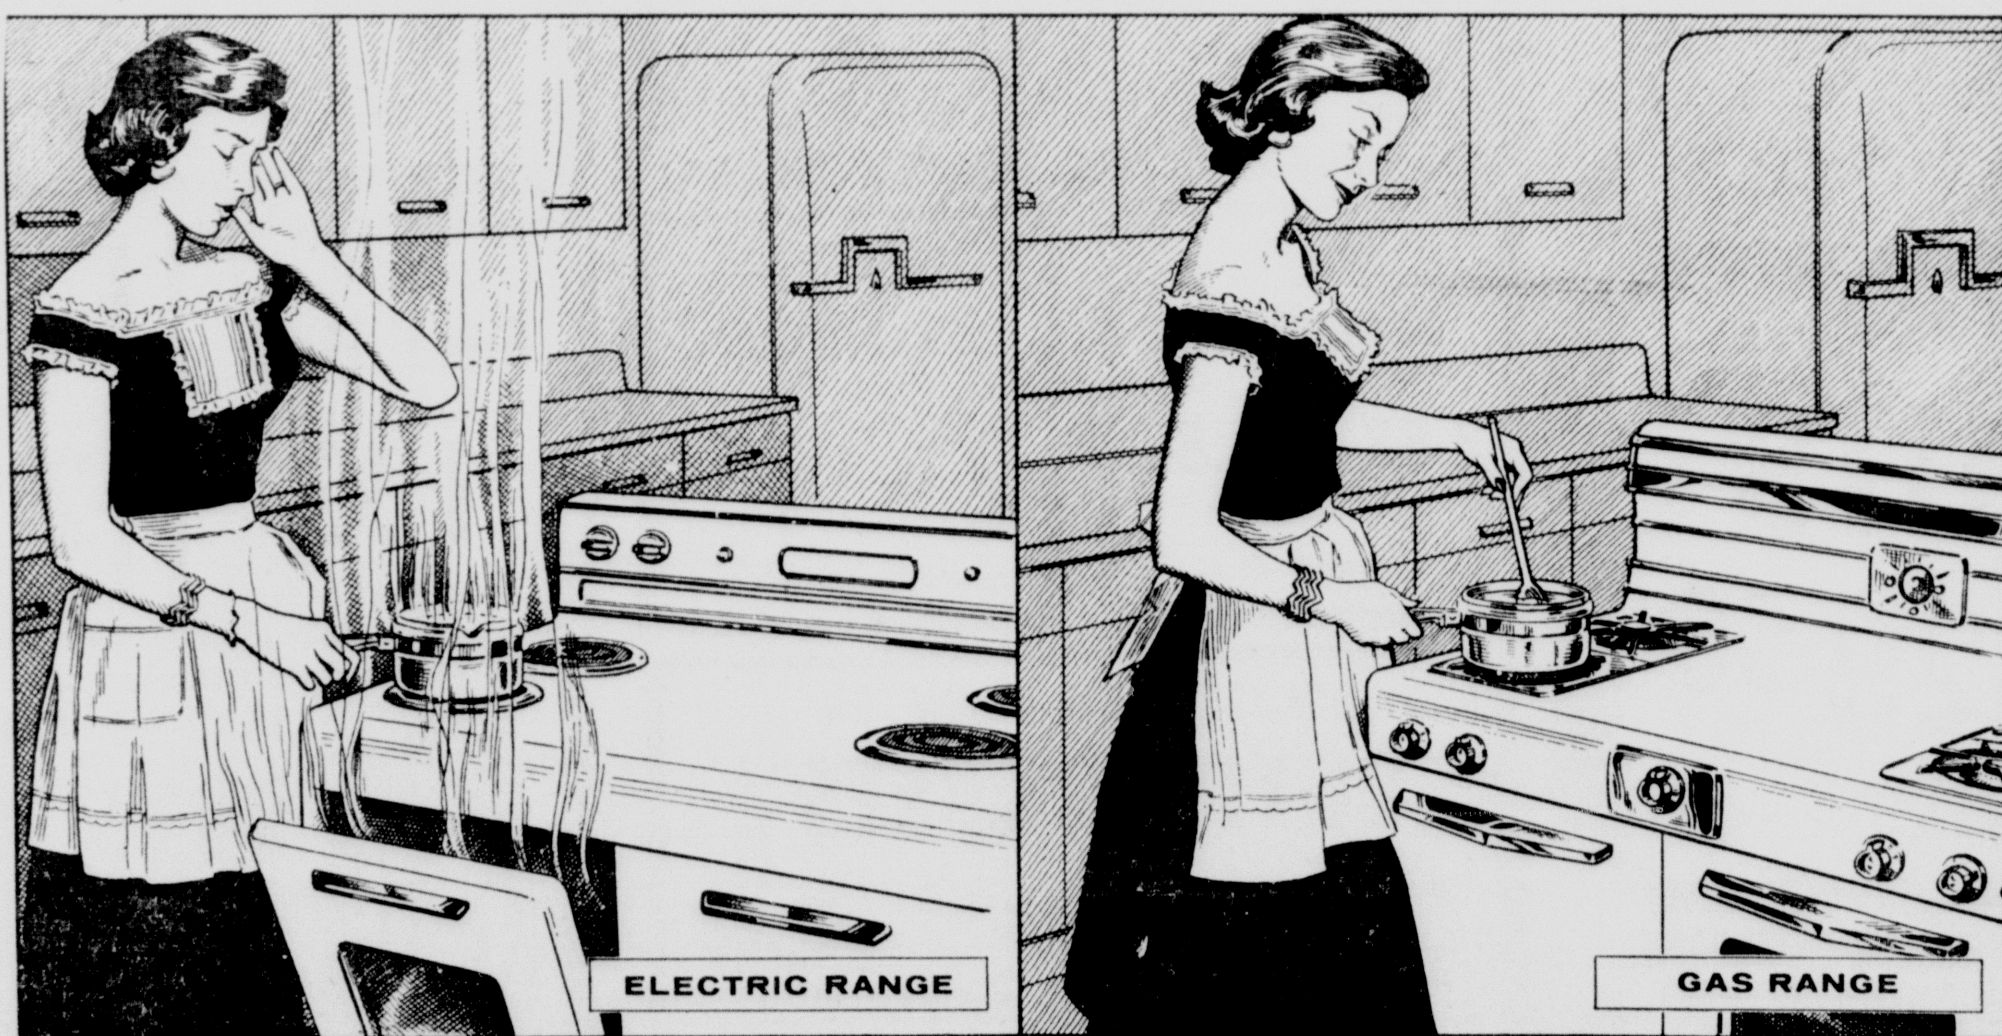

Death benefits under the new legislation are effective January 1, 1957, and the VA is taking immediate steps to put this new law into operation.

The average weight of the human brain is 43 ounces.

The penultimate day of the month is the next to the last day.

Suddenly you know how modern a range should be—
flame-fast gas ranges alone offer smokeproof, closed-door broiling!

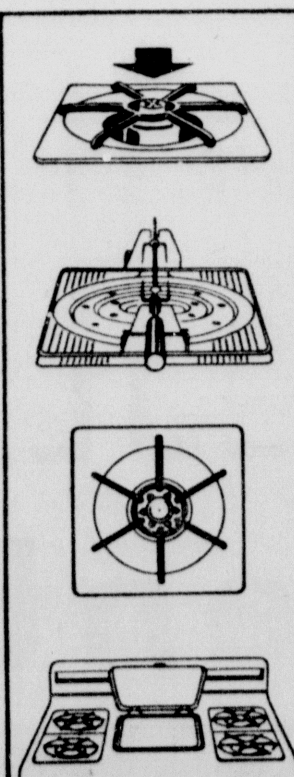

ONLY WITH EXCITING NEW FEATURES LIKE THESE CAN YOU REALLY COOK MODERN!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver quickly reaches and holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

New Built-In Rotisserie. Broil indoors with flame-kissed "barbecue flavor." Automatically turns out your favorite foods, easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "vitamin-save" cookery a snap! Unlimited keep-warm and simmer settings!

Built-In Griddle. Perfect pancakes every time—from the new "griddle-in-the-middle." Holds temperatures automatically. It's also a giant fifth burner.

Only when you broil with gas can you keep the door tightly closed (without messy filter)—no chance of heat pouring out at you during broiling period. Modern flame-fast gas ranges are smokeproof—flame consumes smoke and grease. Keeps cook cooler and kitchen cleaner. Your husband is sure to be a gas range enthusiast, too...he knows gas broiling gives steaks that super-delicious flame-kissed flavor.

And a gas broiler is so easy to use! Flexible burner control permits slow-broiling or fast-broiling as desired. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

Providential Rains...

The 2.16 inch rain that fell throughout the Cameron area last week has made everyone feel a lot better. Stock tanks are full, prospects for range grass improvements before winter have picked up tremendously and farmers with winter small-grain crops and cover crops were positively assured of a good stand. In some sections of the county rainfall was considerably heavier than in the Cameron vicinity.

A few more inches of rain will mean a lot of this area to boost the already rising moral of business-people and farmers alike. With our county banks bulging with nearly \$20,000,000.00 in deposits, a feeling of security, engendered by the promise of a "regular" crop next year, will put a lot of that deposited money in to circulation.

Amendment 4, A Must...

Cameron voters, along with those in the rest of Texas, must decide on a number of Constitutional Amendments when they do their ballot marking on November 6, one of which is designed to make the state's teacher retirement plan more attractive and to induce more recruits into a key profession that is now starving for personnel.

The Herald favors this amendment, Number 4, and is urging that the voters of Milam county consider it very seriously and in a favorable light.

The Wichita Falls Times labeled the amendment a "must" and sets forth its arguments in favor of the amendment in these words:

"The present teacher retirement program was enacted in 1937 when dollars bought much more than they do today.

The current system limits contributions to 5 per cent of \$3,600 salary-\$180 per year.

"This would make possible a minimum retirement pay-low as \$35 to \$38 for former teachers who served children and school systems long and well.

"The constitutional amendment Texans will find on their ballots in November - - Amendment No. 4 - - would raise the maximum retirement contribution of teachers to 6 percent of salary or \$504 annually.

"This would make possible a minimum retirement payment of \$100 per month for teachers retiring at 60 years of age after 30 years of service.

"At current dollar values the substantial hike is well warranted.

"The plan is sorely needed to draw teaching talent into the profession. Here's why: Each year 7,000 experienced teachers leave their jobs.

"Texas must hold them or recruit 28,000 teachers to replace them. By 1960, 350,000 additional children will be enrolled in Texas' public schools. Fifteen thousand new teachers will be needed.

"This host of boys and girls must not be cheated. To provide teachers for them will require 43,000 additional instructors by 1960.

"Amendment No. 4 to the Texas constitution will recruit additional teachers, hold teachers in service, bring up to date the 1937 retirement program enacted during the depression, permit teachers to contribute more to improve their own retirement program.

"The amendment also will provide disability, death and survivors benefits comparable to those available in strongly competing industry and governmental service, provide reciprocity to attract out-of-state teachers and furnish sound, efficient administration.

"The amendment will yield a more adequate benefit for teachers now retired on skimpy monthly payments and clarify and re-enact much of the old retirement law.

"Aimed at promoting the welfare of Texas school children, Amendment No. 4 deserves your active support."

Civil Defense Film Shows Threat Of Biological Warfare

A new kit has been developed by the Federal Civil Defense Administration to explain the threat of biological warfare and set forth means of counteracting its effect on people, livestock and crops.

Film strips portray the steps civil defense would use to offset biological warfare aimed at people, plants, crops and animals.

The instruction leaflet contains introductory remarks for use in presenting each film strip, suggestions for handling publicity, and sample radio and TV announcements.

LITTLE RIVER PHILOSOPHER COMES OUT IN FAVOR OF A NEW LINCOLN THEORY OF GOVERNMENT ASSISTANCE.

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River is no student of Abraham Lincoln, his letter this week reveals.

Dear editor:

You wouldn't exactly call me a student of history, I'm like most of us, I'm not sure what happened yesterday, not to mention century before last, so it was with considerable pleasure I read in a campaign speech the other day what a candidate said about Abraham Lincoln.

According to him, it was Lincoln's idea that the Federal government should "do for people the things they can't do well themselves." I don't follow on it. They've left me and Abraham high and dry.

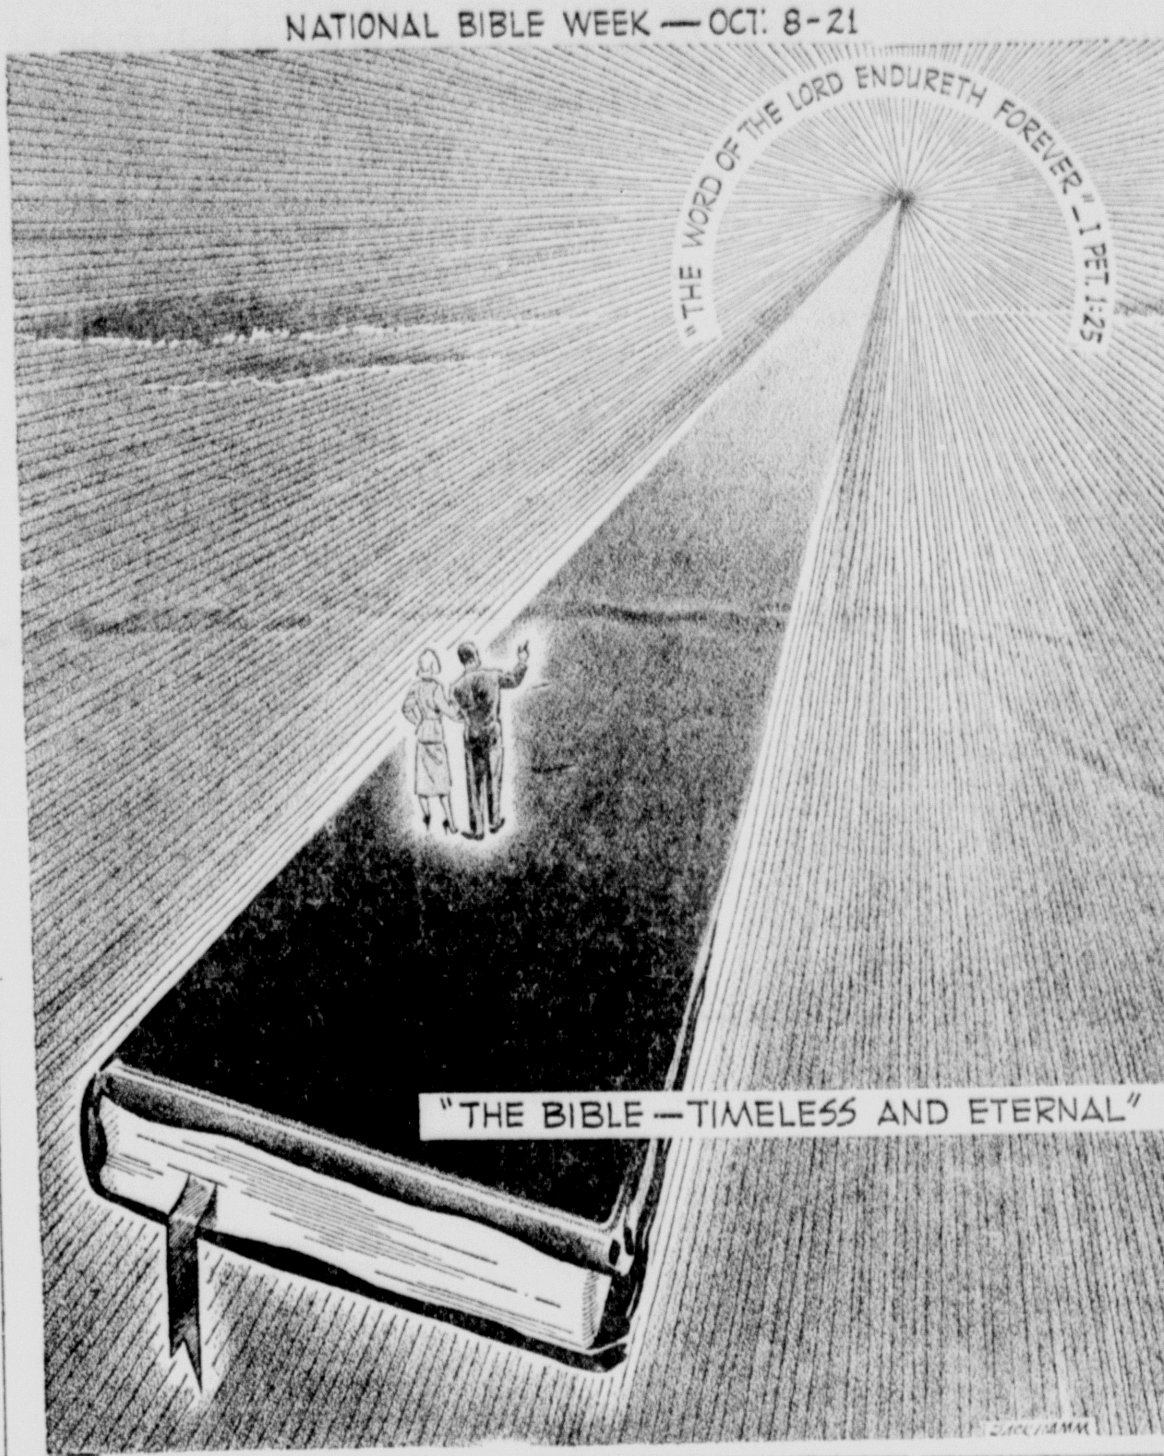

For example, take writing a check. I don't know why it is, but the government is a whole lot better at writing checks than I am; that is, if you take the long-range view of writing a check and include getting it cashed. I don't know, and he was in favor of that philosophy of government.

I want you to know that I'm in favor of it too, but the trouble is not enough government mean to say the government doesn't write a lot of checks. My complaint is not enough of em are addressed to me.

Or take plowing. That's something I never have been able to do well for myself, although up to now the government has ignored Lincoln and left the job to me, as the shape my farm is in will demonstrate.

Other things I can't do very well are build a fence, patch a roof, clean out a well, butcher a hog, hoe a garden, mow the lawn etc.

As far as I'm concerned, to take just one example, I think I can prove I can't plow very well for myself, and while I don't know that the government can do it any better, my notion is a lot of government workers are where they are in order to escape the plow, but that's not what Lincoln said. What he said was, according to this candidate, the government ought to do for me what I can't do well myself.

Texas Farm Bureau Strongly Endorses U. S. Stepped Up Drouth Aid Program

The stepped up drouth aid program announced last week by the President of the U. S. has the strong endorsement of the Texas Farm Bureau, the organization's board of directors said here.

After a careful study of the details of the program the Farm Bureau board members announced that it is substantially what they asked for last month to alleviate the hardship suffered by livestock producers and dairymen.

The new feed grain program steps up the subsidy rate from \$1 to \$1.50 per hundredweight for eligible producers living in drouth zones. Freight rates on hay and roughage have been reduced by 50 per cent by the Western railroads. Shipment rates on cattle hauled to grazing areas also have been reduced by 50 per cent, provided that the shipment is roundtrip. An additional \$5 million, with more promised if needed, for buying hay and other roughage to maintain foundation herds also has been allocated by the government.

Obviously this opens up a brand new field for government activity, and I am now working on a list of all the things I can't do very well and will appreciate you finding out and telling me where I'm supposed to mail it. I'm on page five of my list now.

Yours faithfully,
J. A.

The government also announced that the export-import bank has authorized a \$5 million loan to Mexico for purchase of American beef and dairy cattle. At least \$3,375,000 of that amount is expected to buy some 40,000 beef cattle from livestock owners in the Southwest.

County Diseases

Reportable diseases in Milam County for the week ending October 20 totaled four cases. All were listed as strept. throat, inc. scarlet fever. The report was made by Dr. John B. Bryson, health unit director.

A league is about three miles.

Three birds which cannot fly are the emu, kiwi and ostrich.

Milam Draft Board Prepares 178 Hardship Cases Review

The Milam County Draft Board is making preparations for its annual review of 178 registrants classified III-A. This class of men are those with hardship cases for the most part and some who were married and had children reported to the board before the deadline, August 25, 1953.

When reviewing the files it will be found that some will have information current and up-to-date and nothing will be required of these men. But those files with information which is as old as a year or more will be mailed requests for current information.

Registrants are urged to take

careful notice of these requests and to act promptly since their failure to submit the current information may be reason for discontinuance of the III-A classification.

"We do not want to have to take classification action on these men who still qualify for the III-A," says August G. Kunz, Chairman of the board, "but failure, on the part of the registrant, to cooperate may leave us no alternative."

Furthermore, registrants who fail to give the board changes of address will not receive the communication. Those registrants who have changed address and have not notified the board are urged to do so at once.

Those registrants who want help or information are urged to call at the office. The Local Board Clerk will be glad to give help or information to anyone desiring it.

Plans Readied For State Bar Diamond Anniversary In '57

John B. Daniel Jr., of Temple, board advisor to the State Bar Committee on Traffic Regulations, reported to the policy-making group on this committee's program plans for the 1956-57 Bar year on October 19-20.

Included on the two-day agenda is a study of plans for State and local bar observance of the Texas Bar's Diamond Anniversary in 1957. The state's organized Bar dates back to 1882 in Galveston when the Texas Bar Association was organized with some 300 members.

Present membership of the State Bar of Texas, which succeeded the original organization in 1939 as an integrated branch of the state judicial department, is 12,600. It is the second largest bar organization in the United States, exceeded in membership only by California.

The Temple attorney is a graduate of the University of Texas School of Law and has practiced in Temple since 1940, excepting during service as a U. S. Naval Officer in World War II.

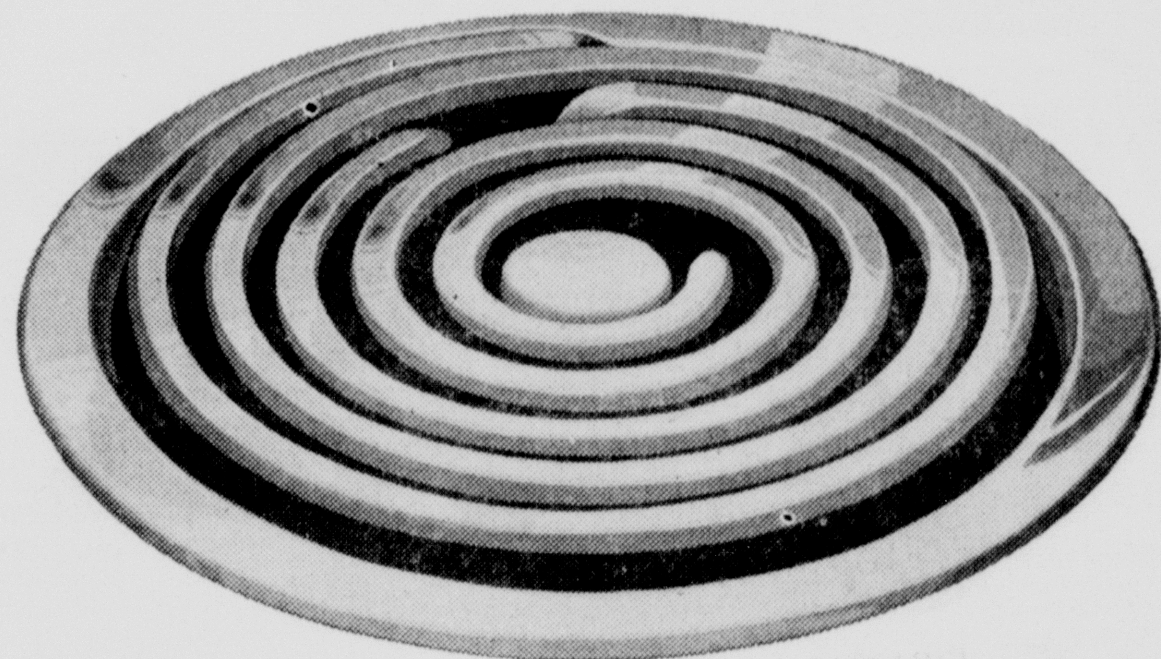

Directories Show Cameron Growth

New Southwestern Bell Telephone directories for 1956 were distributed during the past week to parties having telephone sets in Cameron.

The grey covered directories this year is the largest in the history of Cameron. They contain 16 pages of alphabetical listings as compared with only 14 such last year. There are again 32 classified listings this year, the same number as in 1955.

One directory has been distributed for each telephone instrument with a total of 3100 having already been meted out. There are still a surplus number of the Cameron directories for replacements, new customers and state and out-of-state requisitions.

Pythagoras first announced the belief that the world is round.

It's Elementary...

Takes no Hawkshaw to deduce the advantages of the electric range element... that wonder-cooker on the surface of electric ranges... or as an integral part of kitchen built-ins. It's wonderful how currents of energy are harnessed in the electric element... to give you such clean, cool, safe, positive, economical heat for that most continuing of all tasks... cooking.

It is controlled, automatic heat... leaving you extra moments of leisure. Clean electric heat leaves pots, pans, curtains, and walls soot-free... saving hours of scrubbing. Second to none in cooking time... the electric element comes up to full heat in a matter of seconds. And because heat can be so accurately, so efficiently, applied... less water is needed, saving valuable vitamins and minerals. If you haven't switched to electric cooking... you're missing so much of today's freedom from drudgery.

See your dealer today for an electric range...

TEXAS POWER & LIGHT COMPANY

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken case, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators."

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked off, shaking his head. Of course, the Stevenson man caught on that Doc didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

OUR SOIL ★ OUR STRENGTH

Waterways are being shaped on the farm of district cooperator J. P. Gorman five miles east of Bartlett, Texas. These water disposal areas are being shaped to designed carrying capacity and will be sodded to Bermuda grass in preparation for terrace construction.

Soil Conservation Service personnel of Bartlett have assisted in the installation of this work. After a good vegetative cover is established in the waterways, they say terraces will be constructed on one hundred acres of rolling cropland to provide protection against further damage to the land through sheet and gully erosion.

Contour tillage operations, management of crop residues, and growing of close seeded legume crops will also be employed in the conservation treatment program to assist in controlling erosion and improving production.

The farm is operated by Oscar Meissner.

C. R. Touchstone has recently completed a 5000 cubic yard pond on his place east of Heidenheimer. The drainage area of the pond is native permanent grass. Mr. Touchstone believes that a livestock producer must have a dependable source of water to stay in the business. This new pond when full will meet the needs of his place.

Fred Howell cooperates in the Cedar-Knob community in enlarging his farm pond for livestock water. The pond is being enlarged with a bulldozer. Howell is doing a good job of improving his range land. He is properly stocking with cattle and raising goats to control his brush. He has done some reseeded and plans to do more in the future. The pond being enlarged will furnish an adequate water supply and will permit an even distribution of grazing on his range land.

Willie Williams Completes Marine Boot Training

Willie A. Williams, son of Mrs. Lillian M. Williams of 1006 North Madison Ave., Cameron, completed recruit training October 19 at the Marine Corps Recruit Depot, San Diego, California.

Upon completion of training, the Marines were either assigned to a unit for further infantry training, or to a Marine Corps school.

Nineteen thousand feet of large channel type terraces have been constructed on the farm of district cooperators Joe Hyzak, seven miles east of Bartlett, in the Alligator community. A motor grader was employed to carry out this construction work.

Protection against further erosion damage to some seventy acres of rolling cropland will be basically brought about through the installation of this terrace system, according to Michael Brown, Soil Conservation Service representative stationed in Bartlett. Runoff waters from this terraced land will be travelled at non-erosive speeds across the slope of the land and spilled on well established Bermuda Grass waterways which were previously sodded for this purpose. Directing all tillage operations parallel to the terraces also assists in controlling and directing runoff as well as holding it back and allowing more time for infiltration into the soil.

Hyzak has shaped two waterways for sodding to Bermuda Grass in preparation for further terrace construction. These waterways will accommodate terrace construction on approximately sixty additional acres of cropland. This will complete all terrace construction needed.

Now Is Season To Conserve Farm Equipment

Milam County farmers have now harvested or are in the process of harvesting the majority of their crops. They face the winter season with winter plowing and repair of equipment and structures.

When said harvests are in and winter plowing is well under control, agricultural advisers on both the state and national level recommend care of capital investments in form of equipment and structures be taken. Now is the season of the year in which farmers have for repairing old fences and building new ones. To prevent damages by winter rains and storms (or blowing dust), it is recommended that they also repair barns, sheds, creep feeders, residences, corrals, troughs and all equipment.

Rust for motorized equipment can run into a great cost for Milam farmers and ranchers. If possible, such equipment should be stored in barns or sheds but first repairs should be made and such equipment given a coat of paint which is A-1 in the prevention of rust.

A member of a local agricultural agency was speaking of the need for the right of upkeep on such equipment. He was reminded by a listener that such upkeep would run into money which some farmers due to the drought would be unable to spend. To this he reminded his listener, that if the farmer remained in that industry, he could not afford not to provide such upkeep. This fact, he pointed out, might at present not seem true but once the farmer starts to replace that equipment, he would remember that he lost two to five years use of his equipment through depreciation when the equipment is idle.

As for fences, it is recommended that farmers try to replace rotted posts in old lines and use those in new lines from either heart cedar posts or use treated posts. Such posts will last from

Beef Week In Texas Set December 2-8

Beef Week in Texas this year will be December 2-8, Texas Beef Council president Leo J. Welder of Victoria announced in Fort Worth October 15.

Point of purchase materials will be furnished to 7,000 food retailers, who will be encouraged to feature beef during the week, and special food features will be provided all newspapers, radio and television stations.

The Fort Worth Beef Supper, now a three-year tradition with the beef organization, will this year consist of a banquet for cattle and agricultural leaders. A feature of the evening will be a presentation to the Council of the Public Relations News award by Mrs. Denny Griswold of New York, publisher of the News.

The Beef Council was recently named one of the ten top public relations programs in the country. Other principal speakers will be announced later, Welder said.

Amendment No. 4 In Panel Talks

Panel discussions are currently being broadcast over Station KMLB concerning Amendment No. 4. The discussions have been recorded on tape especially for these broadcasts. Each broadcast is 15 minutes in length.

Additional discussions will be broadcast at 2 p.m. Friday, October 26; 2 p.m. Friday, November 2; 1:30 p.m. Sunday, November 4; and 6:35 p.m. Tuesday, November 6.

10 to 30 years according to tests run by farm experimental stations throughout the nation. Others reportedly rot out within two or three years with very few exceptions.

Long range planning in buying and using both equipment and structural materials will pay the farmers due to the high costs of such materials now. Conservation of these materials must go hand in hand with conservation of soil and water if you wish to make a success of your farm and ranch.

Rapid Payments On Soil Bank Claims Reported

Seven hundred and eighty nine soil bank applications have come to the Agricultural Stabilization Committee, 61 percent of which had been paid by Tuesday of this week. Soil Banker Alva Sanders, Cameron manager of the ASC office, said that before the end of the week at least 90 percent of the payments will have been gone out of his office.

On September 1 ballots went out of the ASC office, Sanders said, to 4,638 Milam County rural voters for the purpose of electing committeemen. The committeemen nominees were placed on the ballot by a nominating committee of farmers appointed by the County Election Board, composed of professional agricultural personnel: J. D. Moore County Agent of the Extension Service; Roy Wright, County Supervisor of the Farmers Home Administration; Wayne Mann, Conservationist of the Soil Conservation Service and John A. Smith, president of the Farm Bureau.

County Committeemen elected at that time were: Chairman, Marvin Petty of Rt. 1, Buckholts; Vice chairman, Hubert McClaren of Rt. 3, Cameron and Regular member, Ted Ford of Rt. 2, Rosebud.

Community Committeemen, by communities elected were: Clarkson (A Community Will Stehler, chairman of Rt. 1, Burlington; Will Vogelsang, vice chairman, Rt. 2, Cameron; and Regular member William J. Crenan, Rt. 1, Burlington, MAYSFIELD (Community B) Chairman Charles W. Bailey, Rt. 4, Cameron, Vice Chairman, E. B. Yager, Rt. 2, Cameron and Regular committeeman, Willis Looney, Rt. 4, Cameron.

MILANO (Community C) Chairman, Charlie Robinson, Rt. 3, Cameron, M. H. Wimberley, Rt. 3, Cameron and Joe Martin, Rt. 1, Milano.

ROCKDALE (Community D) Fritz R. Doss, chairman, Rt. 1, Tanglewood, Lawrence L. Keen of Rt. 1, Tanglewood and Leon Nock of Rockdale.

THORNDALE (Community E) Gus P. Schramm, chairman of Rt. 1, Thorndale, Ed B. Moerbe, Vice chairman of Thorndale and Ola P. Organ of Rt. 1, Thorndale.

SHARP (F) E. L. Modesette, Rt. 3, Rockdale, Cliff M. Walker, Rt. 1, Buckholts and Ray Green, Rt. 3, Rockdale.

BUCKHOLTS (G) Ernest C. Fischer of Buckholts, Louis Abel, Rt. 1, Buckholts and J. D. Ruzicka of Rt. 1, Buckholts.

CAMERON (H) F. N. Vogel-sang, chairman of Cameron, Lawrence McClaren of Rt. 3, Cameron and Hubert Jistel of Rt. 1, Cameron.

Extend Feed Grain Program Through Dec. 3

Walter T. McKay, State Director, Farmers Home Administration, today advised Roy M. Wright, County Supervisor, of the extension of the Emergency Feed Grain Program in Milam County. Under the extension, farmers and ranchers may now file applications through December 3, 1956 for a supply of feed grain necessary to carry basic livestock herds through December 31, 1956.

This extension of the Emergency Feed Grain program now coincides with the assistance available under the Roughage Program for Texas, and enables county FFA committees to consider total feed requirements, both roughage and grain, through December 31, 1956.

Mr. Wright stated that roughage feed applications now on hand would be issued with very little delay because of clerical assistance being furnished by the County, through County Judge Charles A. Smith and that applicants should not call at the County Office regarding purchase certificates as they will be mailed as soon as possible.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgemothers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Camco Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!
